ANOTHER NEW TOWN DEAVER, WYOMING IN THE BIG HORN BASIN

Deaver is the new town for the 20,000 acres of the Government's irrigated lands in the Basin on the Burlington's main line just east of the model irrigated locality about Powell, Wyo. Deaver will be the trading center for over 300 farms and will prosper from the start. It offers business chances that are common to any new and growing town. The first unit of 12,000 acres of Government irrigated free homestead land will probably be offered July 1st,—20 year payment plan, no interest for water rights.

Place your name and address through my office, on file with the Government Reclamation Service in the Basin so you may be currently informed about the granting of these valuable farms and be given the opportunity to secure one of them.

Write for Big Horn Basin Folder describing this wonderful territory.

ITEMS OF INTEREST CONCERNING ALLIANCE COLORED PEOPLE

Mr. John Glass who has been sick for three weeks with appendicitis was taken to the hospital by Dr. Hand to undergo an operation which was successful.

Rev. T. B. J. Barclay who preached at Crawford Sunday reports a good meeting.

Bishop H. B. Parks of Chicago will spend one Sunday in Alliance during July. Get ready.

Quite a number of colored men were brought in by the Burlington to work. We hope they will prove to be good citizens.

Mrs. Cleveland Lewis and son returned to the city after ten months spent in Chicago. They will live with W. B. Lewis in Hill's addition.

R. J. Campbell left for Hot Springs S. D., where he will cook in a hotel.

Colored citizens of Ashville, N. C., at a mass meeting held recently subscribed sufficient funds to adopt Belgian babies. The money will be used to buy food for the tots and will keep fifty of them in condition for 3 months. Colored schools and churches were active in bringing about this meeting. It is good to have a universal spirit of universal brotherhood.

Africa is to be the Christian battle ground for the southern M. E. Missionary society. Mrs. B. W. Lipscomb of Nashville, said that the members with southern ancestry were peculiarly fitted to help the race, and that white women would do well to organize such clubs and present helpful subjects to the colored women and direct their discussion. She said that the largest C. E. S. in the world is found on the Congo, being composed of 2,000. They are hungry for the gospel, 8,000 attending one communion service.

Denver officers of the National committee of the African Race of America have sent broadcast a call to a convention to be held in Denver next August. Delegates from every state in the Union will be asked to attend. The chief purpose of the meeting is to consider the rights of the American negro as citizens. If the convention decides the race cannot be accepted into full citizenship in the United States with all the actual privileges by other race groups, they will discuss the possibility of colonizing Liberia in Africa.

Why not work and make an honest living instead of depending on wife or the other fellow to make it for you. No disgrace is attached to work, but it is a shame to be a parasite. Get something and have something and then you will be something.

Why not send your news in to ye editor. Let us have it by Tuesday as the Herald is printed and out Thursday. So read it.

Mrs. E. Willis of Denver is cooking in the Shelton cafe, where she pleases the taste. Just drop in.

Mrs. Julia Shelton is up and assisting in the cafe.

Rev. J. O. Minor conducted the services, Sunday while the pastor was at Crawford.

We want good citizens in our town who will stand for right and justice to all men, for God created all men equal.

The colored men will soon organize a Protective and Order League. An Easter Program will be rendered at Hamilton's hall Sunday night. You are invited to come.

Don't forget the rally for the new A. M. E. church on the 15th. P. E. Pope will preach. Hear him.

The K. of S. will meet Friday night at their hall. All members must be present. Business of importance.

THREE PROMINENT WHITE MEN OUTRAGE COLORED GIRL

A few days ago in Girard, Ohio, a colored girl, fourteen years old, while on an errand was approached by a white man named McRush and decoyed to a barn where two other white men were lying in wait. Both were married men with families and belonged to the wealthy families of the city.

They seized the child and kept her in the barn for three days and nights. She was most shamefully abused and outraged, then released and threatened with death if she told of her treatment that she received at the hands of those beasts incarnate. Undaunted by the threats of these fiends she went at once and reported the matter. A warrant was promptly sworn out, but a conspiracy was formed among the law enforcing power and the warrants were never served. The mayor went so far as to prostitute his office for a little money consideration, and he took the child to Virginia. He, no doubt, thought the matter was over, but the colored men of the city came together in the defense of his outraged child, brought her back from Virginia and employed the best legal talent. In twenty four hours the three nice beasts were in the county jail. Yet some will say that all such crimes are committed by black brutes. A man can have a white skin, but if his heart is black, full of prejudice, envy, strife and unrighteousness, he is blacker than the blackest man on earth. The better class of both white and colored citizens are considerably worked up over the matter and a vigorous prosecution of the three men now in jail is assured.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness

that cannot be cured by Hall's Catarrh Medicine. Circulars free. All druggists, 75c.

Safe Medicine for Children

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effectual in relieving coughs, colds and croup. Obtainable everywhere.
