

Round House Rumblings

Being a brief resume of the week's doings, jotted down by the hog-head while waiting in the Alliance round house for the O-2 to fire up, for the run to Seneca.

Stanley Kjebeck, machinist of several years' standing at this point, has departed for Chicago, where we are very reliably informed that he will take unto himself a wife, and journey onward to New York City and other points in the East enjoying an extended honeymoon trip. Stanley is a mighty good fellow, popular among the round house men, and we take pleasure in extending to him the sincere wish for happiness of every employee in this department. We were not informed as to the name of the lady who was lucky enough to draw Mr. Kjebeck for her lesser half, but extend congratulations.

Mr. and Mrs. Buster S. Rowland enjoyed a visit in Denver the fore part of this week. George R. Nation occupied the position left vacant by Mr. Rowland.

Mr. and Mrs. H. P. Bromley went to Hoffman for a brief visit the latter part of last week.

Mrs. E. L. McKinson departed this week for Cassa, Wyo., where she will hold down the homestead while hubby performs as fireman on this division.

Mrs. A. F. Hull will visit in Morrill, Nebr., this week. Mr. Hull is a hostler at the round house.

Mr. and Mrs. Harry Beard have secured transportation to Kansas City, Mo., and other points south, where they will spend a few days' well-earned vacation. Mr. Beard is a tried and true stationary fireman.

H. Timmell, formerly road foreman on this division, but transferred to Casper, was in Alliance on business the fore part of this week. He paid the master mechanic's office a visit while in town.

George Inman, machinist, spent Sunday visiting in Ravenna.

Mr. and Mrs. John Willis are contemplating a pleasure trip to the Black Hills for a few days. Mr. Willis is a fireman on east-end passenger.

Mrs. Fern McFarland has been employed as tool-room attendant at the machine shop. She began her new duties Monday of this week.

Monday of this week being a holiday (Labor Day) work in the shops was shut down as far as possible.

John Wright, of Alliance, has been employed as call boy to take the place of Leon Alter, who resigned last week in order to attend school.

George R. Nation, boilermaker, has secured transportation to Sidney, Nebr., and from thence west to the coast. George works a little during the year, and thinks he should have a little time to himself as a reward. His mother, Mrs. J. Nation, will accompany him, and see that he behaves himself.

Fred Sanders and family have returned from a two weeks' vacation spent in Colorado. They made their journey by auto.

Engineer McGuire has arrived from Ravenna, and taken a turn out of Alliance.

H. C. Sitzman has been assigned to a turn on east-end passenger out of Alliance, and arrived here on No. 42 Wednesday to report for work.

R. E. Driscoll and family are at this time enjoying the sights in Chicago and other points east.

Engineer Gibson reported for work Tuesday after a few days off.

Guy Kennicutt, fireman, laid off a couple of days this week.

Road Foreman Waddell took a turn over the west end this week.

Jay Carr, of the 9 o'clock goat, enjoyed a brief lay off this week.

A. N. Thompson is again at work after a few days spent in Hyannis and other points east. Al is very careful where he goes at all times, and he says it is not necessary for any one to bother as to his whereabouts. Just between us, however, we doubt this.

Lindell Lewis, for the past three months messenger kid at the master mechanic's office, has resigned his position in order to attend school this winter.

C. A. Liedloff, formerly of the bridge gang near Ravenna, has been transferred to hostler at this point. He reported for work about a week ago.

A new sign has been posted in the round house office and it reads, "No loafing allowed in this office." From all appearances it is the intention to enforce this. The slogan is "Business only."

George F. Dill, of Broken Bow, who has been recently transferred to Alliance, as a conductor in the pool, paid the round-house office force a friendly call the fore part of this week.

MONEY TO LOAN ON MONTHLY PAYMENTS

GALLOWAYS AT THE ST. JOE FEEDER SHOW

So. St. Joe, Sept. 5—As there will be no car-lot exhibit at the Royal this year the St. Joe Show will be the only place to exhibit car-lot feeders this fall. The Galloway Association realizing this have prevailed on the St. Joseph management to offer premiums for their breed. This they have done, offering \$100.00 first, \$75.00 second, \$50.00 third, \$25.00 fourth, for the three classes, viz: Steers or heifers, straight or mixed, under one year old. Steers one year old and under two, and steers over two years old. Also \$100.00 for Championship load of Galloways. This is in line with premiums offered for the other breeds, and the American Galloway Association pay one-third of premiums. The Show is held September 27 and 28 this year.

COMPANY G ROUNDS UP THE GAMBLERS

Number of Promotions Reported —
Team Wins Ball Game from Company G of the Fifth

Camp Cody, N. M., Sept. 4—That Company G is an effective police and guard organization as well as a splendid company of soldiers is evidenced by the fact that not long after the company was placed on guard duty they successfully raided a gambling joint and rounded up some sixteen gamblers, all of whom were convicted and assessed fines of \$10 and costs. The raid on the joint was headed by Sergeants Mattox and LeRoy. Company G won its first baseball game which was played with Company G of the Fifth Nebraska. The score was 13 to 4. Baseball equipment of all kinds is needed. The team has no suits whatever, at least baseball suits, and a short supply of balls and bats. Those "back" home who are long on these necessities in the game or who have a little money they can chip in for the cause will receive the hearty thanks of the boys.

A number of promotions have been made in Company G, the promotions being as follows: To be sergeants—Kolow, Shannon, Joder and LeRoy. To be corporals—Fred Wilson, Denton, Wykoff, Phillips, Austin and Abraham. To be first-class privates—Grove, Haynes, Heath, Jull, Knolton, A. Klemke, Langley, O'Donnell, Williams Cahill and Fenning.

No trouble was experienced with the colored troops stationed here, but all were glad to see them moved, for

trouble at most any time would not have been surprising. Buff Harbaugh of Scottsbluff has been recommended for discharge because of a bad scar on his leg which makes it difficult for him to take part in the hikes.

The sum of \$108 has been received by Captain Miller from Alliance folks and has been placed to the credit of Company G's fund. The money will be used to the best advantage and every cent of it will be accounted for. A special account is kept of the company fund and every dollar received into the fund must be credited, and every dollar spent must be charged. The account is audited once each month by the battalion major. A portion of the company funds was spent for tubs, wash boards and other things, for when the company arrived here there were no facilities with which to wash clothes. The members of the company, every one of them, appreciate the interest being taken in them by the "folks back home," and it is indeed good to know that the home folks are ready at any time to do what they can to "help out."

JUDGES SELECTED FOR THE ST. JOE FEEDER SHOW

So. St. Joe, Sept. 6—The management of the St. Joseph Stocker and Feeder Show to be held September

27 and 28, at St. Joseph, Missouri, following their usual custom have selected one judge from Illinois, another from local territory, and one from the West. Considerable depends on the judging, and this is again in competent hands. The following well-known gentlemen have consented to serve: Messrs. T. E. Brittin, Springfield, Ill.; C. O. Robinson, Rockport, Mo.; Ed Crocker, Matfield Green, Kans. The car-lot auction is also in very capable hands, the celebrated P. M. Gross, probably the best in his class, will do the auctioneering. Entries being received indicate a larger and better shown than ever before.

EXEMPTIONS ALLOWED IN SHERIDAN COUNTY

Rushville Standard: There have been 108 drafted men certified who have made no claims of exemption to the local board. Nine men who were in this call have enlisted in the army and navy. The following claims for discharge have been allowed by the board:
