

GEORGE D. DARLING FURNITURE SALE

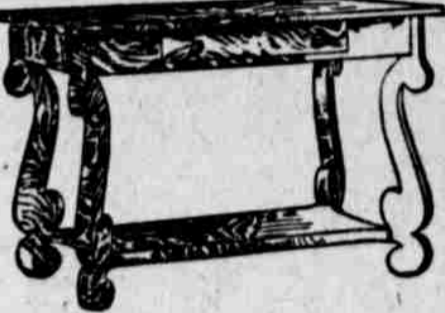

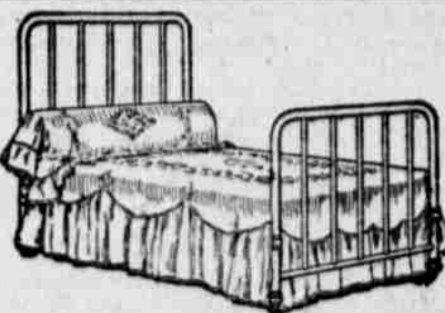

A BIG CAR LOAD--THE BIGGEST FURNITURE
CAR MADE---PACKED TO THE ROOF WITH

Samples and Factory Ends of Furniture

YOU can afford to come many miles to this sale to buy what you need in Furniture and Housefurnishings. Don't let your neighbor get here first and take the pick of the bargains. Blame only yourself, if you do.

The prices during this sale will be lower than you see quoted in any city daily paper or mail order catalog. You say, "It is impossible." Well, I cannot convince you if you do not come and see for yourself. Bring your pocket book, for this is a cash sale. I paid cash for the goods before the car was even loaded---and am quoting these low prices in order to turn the goods into cash again.
