Fire insurance is one absolutely essential feature of business life. The man who does not protect his property with insurance is taking risks that even the largest corporations cannot afford. In taking insurance you should be sure that it is in strong, reliable, safe companies. In taking out that new policy or in renewing that old one, consult M. S. HARGRAVES, phone Red 310, Alliance National Bank Building.

Sunday afternoon a train load of sugar beets passed through Alliance enroute from Belle Fourche, South Dakota, to Scottsbluff. A large number of sugar beets are raised on the Belle Fourche government irrigation project, but have to be shipped to the Scottsbluff factory to be made into sugar. A factory is being built in the Belle Fourche valley and will be ready in time for the 1918 crop. The trainload which passed through here Sunday was only one of several that have gone through this fall.
