The Churches

"WHAT THINK YE OF CHRIST TEXT MATT. 22; 42, "What think ye of Christ."

It was during the passover week when Jesus asked this question of those who had been finding fault with him. It was a great event in the history of the Jews. They came from many lands to commemorate their liberation from Egyptian bondage. This day had a great spiritual and political significance to them. Josephus says: "Between the hours of three and five in the afternoon by actual count, 256,000 lambs were slain for sacrifice."

This was a busy time for Jesus. He healed the sick and afflicted. He taught by parable and direct statement. He drove the traders from the Temple. He confuted the Sadducees and the Pharisees. A young lawyer asked if it was lawful to give tribute to Caesar. He answered "Render unto Caesar the things that are Caesar's and unto God the things that are God's." The Sadducees asked him whose wife a woman would be in the resurrection if she outlived seven husbands all of them brothers. Jesus informed them that in the resurrection there was neither marrying or giving in marriage. A young lawyer asked, "What is the young lawyer asked, "What is the great commandment? "Jesus answered, "Thou shall love the Lord thy God with all thy heart, with all thy soul and with all thy mind and thy neighbor as thyself." Jesus now asks them a question, "What think ye of Christ?" The way he presented facts put them to silence.

Let us now examine the testimony of different parties in answer to this great question. Simon Peter said, "Thou art the Christ the Son of the living God." The Samaritans say, "We know that this is indeed the Savior of the world." The centurion who gazed on him as he hung on the cross, "Surely this is the Son of God." Pilate, "I find no fault in him." Thomas who saw him after the resurrection said, "My God! The Apostles and others who saw him after his resurrection, declared, until death, that He is the Resurrected Redeemer.

Usually a biography is written after one's death but Christ's was written before he was born. In over a hundred places, the Old Testament told what Jesus would do. In as many places the New Testament tells that these things were done.

With all of this testimony, what do you think of Christ? Upon the answer of individuals depends the future of the world. Righteousness in the home will exalt the nation. In the State such doctrine as the Kaiser's, "Me und Gott" will retard the progress of democratic government in church and State.

What you think of Christ not only effects the present abode of man but also the home of the soul. Listen to his own words, "I am come that ye might have life and that ye might have it more abundantly. "This the religion of Christ is not only the religion to die by, but it is the religion that should quicken the altruistic qualities of our living. May this question, "What think ye of Christ?" be answered correctly by individuals and nations.

If you are going to buy a Piano within the next year, you can't afford to miss The Big Removal Sale at The Haddorff Music House.

Splendid services and additions morning afternoon and evening last Lord's Day. This is the normal way. Everybody at work brings results at practically every service. All services as usual next Lord's Day.

Feb. 3rd, Harry G. Knowles will be here to lead us in a series of evangelistic meetings. This is the same evangelist who was here last winter and preached to a crowded house each night. Our desires are that these meetings will be a blessing to the city. That souls may be won to Christ and that it may make us better citizens of this great republic.

Come to the church with a message and a welcome.

"Words that count" and "Does God Care?" are the subjects for next Lord's Day. In these sermons the minister will discuss live themes which will interest and help you. This will be the last Sunday before the meetings will begin under the leadership of Evangelist Harry G. Knowles. Mr. Knowles is a hard worker and a great preacher. He will be here on February 3rd. His present meeting at Troy, Kansas is drawing crowds each night to hear the Gospel message so plainly and Scripturally presented. You will desire to hear him at every service.
