SEVERAL INCHES OF SNOW AT FUNSTON

(Continued from page 1).

other reasons it has been decided to give Wednesday afternoon as a holiday to the student officers, instead of Saturday, thus breaking the week in two as it were.
 Recreation Hall at Camp Funston, built by the people of the State of Kansas for the enjoyment of her soldiers will be formally dedicated on January 30th, the St. Louis Symphony Orchestra coming to camp as the leading attraction for the event. Four concerts will be given by the famous orchestra on the 30th and 31st for the soldiers. All arrangements for it's attendance were made by the ALL-Kansas 353rd. Regiment Colonel Reaves commanding, and plans for a notable fete are going forward. The Star Spangled Banner will be the closing number of the program and the orchestra will be augmented by the voices of the entire regiment in rendering the national air. It is possible that Mme. Schumann-Heink will return to Camp Funston, where she has a son, and will give a second concert in the new building. The hall is in the southwestern portion of the cantonment, near one end of the "Zone."
 One of the police dogs, recently officially adopted for the use of the 89th Division at Camp Funston, proved his worth in aiding to uncover the trail of the murderer of four in the Funston Bank tragedy. The dog, in the hands of Capt. Chas. Smallwood of the Military Police, was put on the trail that led to uncovering of valuable evidence against the guilty army captain who afterward committed suicide. The 89th division officials are being commended for the efficient manner in which the whole case was quickly handled the incident of the use of the dogs being but one of many bearing out the fact.
FOOD CONSERVATION MEASURES BROADENED

 to observe these measures. There is no great sacrifice in each person observing these rules as there are plenty of meals in which to eat meat and white bread. The little saving represented by each persons sacrifice will do a great deal in aiding to win the war. It means an abundant supply of food for the soldiers and the most nourishing food available.

Meatless and Wheatless
 I have come to the end of a meatless day.
 And peacefully lying in bed, My thoughts revert in a musing way To the food which today I've been fed.
 When I think of the cheese and the beans and fish
 And oysters I've had to eat,
 I've no regrets for the "good old days,"
 I really didn't miss the meat!
 I have come to the end of a wheatless day.
 I have eaten no cookies or pie,
 I have had no bread that was made with wheat;
 It was made out of corn or rye;
 And I liked it so well, that when war is past
 And a glorious victory won,
 I'll keep on observing "wheatless" days
 And I'll eat "corn pone" for fun!
