ORDINANCE NO. 236

An Ordinance to regulate, restrict and prohibit the manufacture, sale, giving away, barter, carriage, possession and use of malt, spirituous, vinous, alcoholic and intoxicating liquors; fixing penalties for violations and repealing of ordinances of the City of Alliance, in conflict herewith.

Be it ordained by the Mayor and Council of the City of Alliance, Nebraska: Sec. 1. The words, "intoxicating liquors" as used in this ordinance, shall be construed to embrace all malt, fermented, vinous or spirituous liquors, wine, porter, beer, ale or any intoxicating drink, mixture or preparation of like nature and all malt, or brewed drinks, and all mixtures, or preparations, whether patented or not which will produce intoxication, and in addition thereto, such liquors of a different character and not hereinbefore enumerated capable of use as a beverage containing over one-half percentum of alcohol. Natural persons, unincorporated associations of persons, partnerships and corporations shall be deemed persons. All forms of the pronoun "he" shall be held to stand for persons as herein defined irrespective of gender.

Sec. 2. The term "private dwelling" shall mean a separate dwelling with a separate door for ingress and egress exclusive of outbuildings, and use exclusively as a private residence and not connected by doors or otherwise with any place of business except doctors', dentists' and veterinary surgeons' offices and not connected with any factory, shop, warehouse, club, or other place or building. The term shall include a room or a suite of rooms actually used as a residence in an apartment house or block separated by walls from all other rooms in such building and without any door or other opening whereby a communication may be had with other rooms except doors entering into the main hallway.

Sec. 3. It shall be unlawful for any person to manufacture, sell, keep for sale or barter, give away, barter, exchange, transport, purchase, or to sell or barter under any pretext, any malt-spirituous, vinous and intoxicating liquors, except only certain liquors, for medicinal, mechanical, scientific or sacramental purposes by persons specially authorized in the manner and to the extent only as hereinafter provided. It shall be lawful, however, for any person to make, keep, or sell sweet cider, unfermented wine, wood alcohol, and denatured alcohol, and nothing herein contained shall be construed to prevent the bonafide manufacture and sale of vinegar.

Sec. 4. It shall be unlawful for any person to, in any manner, knowingly carry, transport or deliver any intoxicating liquor to or for any person to be kept, stored, sold, furnished, given, traded or otherwise disposed of in violation of law.

Sec. 5. If any person shall be found in a state of intoxication, he shall be deemed guilty of a misdemeanor, and any Police officer shall without a warrant take such person into custody and detain him until a complaint can be filed before a magistrate and a warrant be issued for his arrest; upon arrest if found guilty he shall for the first offense pay a fine of not less than ten nor more than fifty dollars and costs of prosecution, or shall be imprisoned in the City Jail not less than fifteen days nor more than thirty days; for a second or any subsequent offense shall be imprisoned in the City Jail not less than thirty days nor more than sixty days; provided, the judge or magistrate before whom such person was convicted may remit all or any portion of such penalty and order the prisoner discharged on his giving information under oath, stating when, where, and of whom he purchased or received the liquor which produced or contributed to his intoxication, and give bond in the sum of not less than fifty dollars to appear and testify against the party selling, giving or furnishing the liquor which caused or contributed to his intoxication.

Sec. 6. It shall be unlawful for any person to have, possess, or permit any intoxicating liquor to be in, upon or about any room, office, building or in any other place except in such person's private dwelling house, and except when and where and in the manner especially authorized as herein otherwise provided; and no person shall keep or possess intoxicating liquor in his private dwelling house in an amount more than is reasonably sufficient for his personal use and needs; Provided, however, that in any action brought under the provisions of this ordinance, or based upon complaint of any violation thereof, the possession, in and of itself, of any intoxicating liquor in a private dwelling house by the person against whom the violation of the act is charged, shall constitute prima facie evidence that such liquor was kept by such person with the purpose of unlawful sale, use or disposition in violation of law.

Sec. 7. Doctors, dentists, churches and hospitals shall be allowed to have in their possession a reasonable amount of liquor to be used only for medicinal or sacramental purposes, and then only when they shall have

complied with the laws of the state of Nebraska, governing the possession and sale of liquors.

Sec. 8. Any person, who shall by himself or through his agent violate any of the provisions of this act, shall except where another penalty is otherwise expressly provided, be deemed guilty of a misdemeanor, and upon conviction thereof shall, for the first offense be fined the sum of not less than one dollar and not exceeding one hundred dollars and shall pay the costs of prosecution, or shall be committed to the City Jail until such fine and costs of prosecution are paid, but not for a period exceeding thirty days.

Sec. 9. All ordinances or parts of ordinances, of the City of Alliance, Nebraska, in conflict herewith, are hereby repealed.

Passed and approved this 12th day of March 1918.

W. E. ROUSEY, Mayor.

Attest: T. P. Rolpson, City Clerk.

The Pneumonia Season.

The cold, damp weather of March seems to be the most favorable for the pneumonia germs. Now is the time to be careful. Pneumonia often results from a cold. The quicker a cold is gotten rid of the less the danger. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. As to the value of this preparation, ask anyone who has used it.

Tongue Test for Diamonds.

Many diamond experts claim that they are able to tell a false from a real gem by simply touching the article with the tip of the tongue. It is said that a genuine diamond always feels noticeably colder than a paste article.
