

OMAHA WOMAN GAINS 24 POUNDS

Gave Up Hope of Ever Getting Well—Tanlac Has Restored Her.

"Only a few months ago my condition became so serious that I was actually given up to die, but Tanlac soon brought me up from my sick bed and I have gained 24 pounds

since starting on it," was the remarkable statement made the other day by Mrs. Annie Sawberly, who lives at 974 North Twenty-sixth street, Omaha.

"My troubles started," she continued, "with a disordered stomach that brought on a terrible case of indigestion. I had no appetite at all, and what little I forced down would not digest properly. My food did not nourish me, and in a little while I had lost thirty-four pounds, and was as poor as a snake. I had rheumatism, too, in my back and knees

that affected me so I could hardly get around. I suffered with awful pains through my body, and sometimes the agony was so great that I could hardly stand it, and I never knew what it was to have a restful night. I got so bad off that as a last resort I was taken to the hospital for an operation, but after an examination I was told that nothing could be done for me and that I couldn't live over three months longer, I was taken back home and really never expected to leave my bed again.

"My husband had spent a big sum of money in trying to get my health restored, but nothing did me any good. Finally on hearing Tanlac praised so highly by many who had taken it. I decided to see if it would help me any and sent for a bottle. Well, sir, Tanlac took hold of my case like it had been made especially for me, and the results have been little short of a miracle, for here I am able to walk about and even go to town to get me another bottle of this wonderful medicine. My appetite picked up almost from the start and I can now eat and thoroughly digest anything I want. I feel no aches or pains of any kind. I sleep all night like a baby, and feel just fine when I get up in the mornings. I have regained almost all my lost weight, and am so much stronger, that I am actually doing all my housework without any trouble at all. I am satisfied that Tanlac has given me a new lease on life, and I cannot praise it too highly for the good it has done me."

Tanlac is sold in Alliance by F. E. Holsten and in Hemingford by the Olds Drug company.

DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Sage Tea and Sulphur Darkens So Naturally that Nobody can tell.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.
