Lyle Berry, son of Judge L. A. Berry of Alliance, is now located in Camp Ellington, Houston, Texas, at the government training camp, aero division.

Joan A. Easton, who purchased a farm three miles west of Alliance nine years ago, stopped over in Alliance Tuesday to see after his farm. Mr. Easton spends his summers in Montana and his winters in Tecumseh, Nebraska.

If you know J. W. Good, vote for him. If you do not know him, find out all you can about him. He is a successful farmer, stockman and has had 25 years business experience.

E. K. Haldeman, district commercial manager of the Nebraska Telephone Company, with headquarters at Grand Island, was in the city on Monday.

J. Carl Thomas and Lloyd C. Thomas made a trip to Douglas, Wyoming, last week. Carl Thomas filed on 640 acres of government land while there, a tract adjoining one filed on by Phillip Thomas last spring before the latter entered the army.

An Alliance man was told by his doctor that a rising temperature was the first evidence of the "flu." He has purchased a thermometer and it is reported that every thirty minutes, right on the dot, he stops business long enough to see whether his temperature is still normal.

B. J. Sallows, Fred Carlson, H. E. Reddish and Vern Hunt returned Wednesday morning from Lincoln, where they went on Monday for the purpose of taking an examination for and making entrance to the officers' training camp at Camp Pike, Arkansas. They expect to learn within a few days whether or not their applications were accepted and whether they passed the physical examinations.

WANTED—Two furnished rooms for light housekeeping. Phone 340. 46-31-9803

Judge Roberts, police magistrate, has a stepson at Camp Kearney, California—Otto Gutberlet, who is in Company D, 21st infantry. If the Alliance boys who expected to leave for Camp Kearney on Tuesday are sent there when the next call is made, they will undoubtedly meet Mr. Gutberlet.

Wanted—Three or four furnished rooms. Phone 340.

Geo. A. Heilman has been notified that his application for appointment to the officers' training camp at Camp Taylor, Kentucky, made in Denver recently, has been accepted and that he is to leave for the camp on October 31st. George's friends are indeed pleased to learn of his appointment and wish him success. He has been a popular business man in Alliance as manager of the Forest Lumber Company, an active community club director, and an enthusiastic member of the Box Butte Home Guards.

Bronco Lake, located two miles west of Alliance, is a favorite place for city hunters these days. The lake covers a section or more and the west end seems to be a favorite rendezvous for the big ducks. A stranger in Alliance, stopping at a local hotel, woke up last Friday morning in the quiet hours and heard the boom, boom, boom of the number twelve guns used by the hunters and hurriedly sought the landlord, fearing that a German aeroplane had dropped some bombs over the town. He was quieted and sent back to his slumbers on being informed that most of the "boom, booms" were harmless, an average of only about one in twelve coming near a duck.

From the Scottsbluff Republican—J. Carl Thomas, who has operated the Republican's linotype machine for over a year past, returned Wednesday evening from a short trip to Douglas, Wyo., where he had filed on a 640-acre homestead which is located about thirty miles north of that town. Mr. Thomas has received his call for service and will leave Alliance with others for Camp Kearney, California, one week from today. The home at Fifteenth street and Sixth avenue has been rented to a Mr. Taylor, and Mr. and Mrs. Thomas are now engaged in packing their personal belongings preparatory to leaving for Alliance next Wednesday, where Mrs. Thomas will remain with her parents during Carl's absence. They have made many warm friends here since coming to Scottsbluff over one year ago, and these will hope for their return at some future date. The Republican has found Carl to be one of the most faithful and conscientious of men, and only for the righteous cause he has been called to serve, could we be satisfied to let him leave.

NO "MADE IN GERMANY" STUFF GOES WITH JOE SMITH

The other day Joe Smith's attention was called to the fact that the band on a certain brand of cigars bore the mark of "Germany" under the seal, showing that the bands were imported. Right then and there this particular cigar, and it is a popular one, was taken from the case and will not be sold by Joe again until the makers use labels made in the U. S. A.

It is very probable that the makers had banded the cigars previous to the entrance of the United States into the war, but nevertheless nothing German made passes muster with the public today.

RAILROAD MEN SUFFER SPANISH INFLUENZA

The C. B. & Q. offices and yards here have been hard hit by the epidemic of influenza the past week. At times as many as a hundred men have been unable to be at their posts of duty, while the others were compelled as a result to work double shifts. On the Sheridan branch it was necessary to limit transportation to only perishable merchandise for several days.

\$100,000 SUIT ECHO OF OMAHA-CHADRON CASE

Former Mayor Fisher One of Nine Defendants in Conspiracy Case—Alleges Damaged Rep

Omaha, Oct. 22.—Allen G. Fisher, attorney, and former mayor of Chadron, filed in district court Saturday afternoon an action against John C. Lynch, Edwin D. Crites and Newton Rule for damages in the sum of \$100,000, in connection with the famous Omaha-Chadron case, which began during May, 1917.

Fisher was one of nine co-defendants in the alleged conspiracy case. He was held on preliminary examination before County Judge Slatery in Chadron and the case against him was nolleed when called for hearing in Alliance a year ago this month. The petitioner alleges that he has been damaged in the sum asked for, by reason of injury to his law business and reputation; that he was brought into public scandal and disgrace and that the defendants conspired for the purpose of injuring his good name and fame.

Lynch, one of the defendants in this case, was ousted as commissioner of Douglas county. He was a prominent figure in the Omaha-Chadron case, his chief interest being to break up the Omaha Detective Association. Crites, another defendant, was county attorney in Chadron during the sensational affair, and he filed the charges against the nine men—six from Omaha and three

JUDGE WILLIAM B. ROSE

NEBRASKA DEMOCRAT (August, 1918): "Judge Rose is broad. He does not jump at conclusions. His motto is to give every party in his court a square deal and that is all the American people want. The judge is in the prime of life, strong, robust, healthy and a constant student."

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Brand Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.
Nothing else stops lumbago, sciatica and lame back misery so promptly!

Chadron men. Crites alleged that there was a conspiracy to compromise himself with Mrs. Robert Hood, his client, in connection with the domestic troubles in the Hood household. Fisher was attorney for Hood, and in that capacity he recommended engaging operatives of the Omaha Detective association.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat enters the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithium, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

Best Workers Win.
Today it is the man who does the most and best work who wins, whether he is a professional or business man. The doctor with his horse and buggy was better than walking, but at that he often times arrived too late. The successful doctor of today has his automobile to arrive on time. He prefers to arrive too soon rather than too late.—Exchange.

Use of Orange Oil.
Unadulterated orange oil has a strong aroma and is used in the making of perfumes, essences, soaps and beverage flavors as well as of cakes and confectionery. The principal use for Jamaica orange oil is in the manufacture of fancy biscuits, particularly of a wafer biscuit which is used extensively with ices and iced drinks.—Gas Logic.
