New York, Dec. 12,-A proclamation by President Wilson calling upon the people of the United States to contribute money to sustain the Armenian, Syrian, Greek and other war sufferers in the near east during the winter was made public here by the American committee for Armeulan and Syrian relief.

This committee, now the American committee for relief in the near east, will conduct a campaign to raise a minimum of \$30,000,000 from January 12 to 19, to finance this relief project, which is approved also by the French government. The president's proclamation dated at the White house on November 29, in part reads:
