

# "I Want to See Every Wage Worker Own His Own Home."

—W. B. WILSON, SECRETARY OF LABOR

This is a direct plea from the Secretary of Labor to every WORKING MAN AND WOMAN IN THE UNITED STATES. The Secretary of Labor knows, from his own early experiences, that it is possible for every working man to own his own home. He knows, further, that homes are not created by chance, but by hard and persistent effort. Homes bring self respect; homes inculcate the habit of thrift; and homes are the very foundation for your future usefulness AS AN AMERICAN CITIZEN.

**THE HARDEST THING IN GETTING A HOME IS IN WORKING YOUR DETERMINATION TO THE STARTING POINT. After making the start the rest is easy. LET US HELP YOU WITH THE STARTING POINT.**

### HEMINGFORD NOTES

The Alliance District Conference convened at Hemingford Tuesday and Wednesday of last week and there was an unusually good attendance, there being all the preachers of the district present but two. There were about twenty delegates and preachers' wives present, making a total attendance of more than forty people. The program was strong all the way thru. Dr. Stanley Carson from China gave the principal addresses of the two evenings. Mr. Murrell of Iowa gave some splendid talks on the Minute Men work. Several of the men pronounced that this was the best district conference they have attended. The people of Hemingford kept up their former record of being the best of entertainers. The ladies of the church gave the conference dinners and suppers in t' e basement of t' e church and a splendid fellowship was felt. All entertainment was without money and without price.

On Thursday evening Rev. Williams of Marsland remained over and gave the missionary stereopticon lecture, which was enjoyed by a crowded house.

Rev. J. J. Martin, corresponding secretary of the Methodist hospital of Omaha, preached for us Sunday morning on the Centenary movement

### SAVED BY A FAITHFUL WIFE

Suffered Thirty Years With Stomach Trouble and Hemorrhages of the Bowels.

The Story of a Wonderful Recovery

There is hardly any one who does not experience some trouble with the stomach. It is so common that we frequently pay little or no attention to it. Yet, the stomach is very easily upset, and catarrhal inflammation of the mucous lining develops, grows worse—the pain and distress is incessant and the truth dawns that we have chronic stomach trouble.

The case of Mr. Louis Young, 205 Merrimac St., Rochester, N. Y., is typical. He writes: "I suffered for thirty years with chronic bowel trouble, stomach trouble and hemorrhages of the bowels. We bought a bottle of Peruna and I took it faithfully. I began to feel better. My wife persuaded me to continue and I did for some time as directed. Now I am a well man." Mr. Young's experience is not unusual.

If you suffer from catarrh in any form, whether of the head, stomach, bowels or any other part of the body, try Peruna. It may be just what you need. Peruna comes in either liquid or tablet form and is sold everywhere. Your dealer has it or will get it for you. Ask for Dr. Hartman's World-Famous Peruna. Tonic and insist upon having it. If you want your health accept nothing else.

All the sick and suffering are invited to write The Peruna Company, Dept. 78, Columbus, Ohio, for Dr. Hartman's Health Book. The book is free and may help you. Ask your dealer for a Peruna Almanac.

### THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—soak up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

## To The Voters!

I come before the voters with five years actual experience in the city light department and with the knowledge of city affairs gained by lengthy association with the problems which confront the city administration. I have been a resident of the city for eleven years and a property owner for a great part of that time. If elected I will make it my duty to attend every meeting of the city board and to give the city problems my undivided attention to the end that the city make as much as possible out of its investments and eventually lower the cost to the taxpayers. I will stand for a clean and economic administration of city affairs.
