Mrs. Homer Bundy of Lingle, Wyoming, was soon made happy Monday evening at the station when a purse which she had lost was returned to her through Burlington Officer Smith. The lost article had been found by Mrs. R. Griggs of Ethel, Wyoming, and she had turned it over to the officer. Not much money was contained in the purse, but what was of particular value to the loser was a couple of passenger tickets.

We are rejoicing. The last indebtedness on our church house is paid and the mortgage is returned. We will have a great day next Lord's day. Every member and all the friends will desire to be present. We can show the Lord how we appreciate His goodness as we have never done before. This will be a day of jubilee at the burning of the mortgage. Special music in harmony with the resurrection day of our Savior will be used. The morning sermon subject is "Victory". At the evening hour the Bible school will render a special program. The offering goes for the benevolent work among the aged and orphans. The meetings continue this week. Each evening at 8 o'clock, the minister gives a ten-minute study preceding the sermon. Come to the church with a message and a welcome.
