

**"VICTORY FAIR" TO BE REAL RECORD-BREAKER**

Larger Exhibits, Better Entertainment Program Bespeak Better Crowds Than Ever.

The stage will be all set and the curtain rolled up on September 1 for the greatest State Fair Nebraskans have ever had the pleasure of attending.

Never before has there been such a demand, this early, for space in all departments, and it might be well for those desiring exhibit space, who made their reservations, to do so at the earliest possible moment.

There had been some concern as to whether we would have a government exhibit again this year, due to the fact that congress had not made any appropriation for the office of exhibits, and the several fairs and expositions did not feel that they could stand the entire expense of assembling, transporting and installing this government exhibit, on the several fair grounds. But word was just reached us that the Senate has taken favorable action on an appropriation and the members of the house are inclined to come to the rescue and a feel somewhat assured that we will have a wonderful new government exhibit to present to all who have the opportunity of attending the State Fair this fall.

We have been hoping to announce something startling in the way of an Aerial attraction, but they are making such rapid discoveries of what can be accomplished in the air that the Fair Management is somewhat loath to close a contract at this time as they feel that by waiting a short while longer they will be able to present the latest thing in aerial work for State Fair patrons this fall.

The State Horticultural Society will celebrate its fiftieth anniversary at the 1919 Nebraska "Victory" State Fair. This society is just a year younger than the State Fair, which had its fiftieth celebration last year. We can assure you that the State Horticultural Society will be all ready for its birthday, and will have one of the finest displays of fruits and flowers ever shown.

**ALLIANCE EVIDENCE FOR ALLIANCE PEOPLE**

The Statement of Alliance Residents Are Surely More Reliable Than Those of Utter Strangers.

Home testimony is real proof. Public statements of Alliance people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts.

Here's an Alliance man's statement.

And it is for Alliance people's benefit.

Such evidence is convincing.

That's the kind of proof that backs Doan's Kidney Pills.

G. H. Williams, stationary fireman, 421 Yellowstone St., says: "My back was lame and ached steadily and heavy work would bout use me up. Doan's Kidney Pills relieved me and I endorse them as a first class kidney medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Williams had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

**Aid Sought.**

"So poor William has been caught by a proposal and the bride-to-be wants it announced. What part of the paper shall I put it in?" "If you want my opinion of William's preference, I'd put it under 'Help Wanted.'"

**Cure for Rheumatism.**

A certain variety of seaweed, known in Ireland as "tope," has been recommended by a famous physician as a cure for rheumatism and throat affections if eaten hot, whilst in some parts of England and Wales a variety of seaweed, known as "laver," has been in demand for years as a vegetable. Served with roast meats it is said to be extremely palatable.

**Icebergs.**

Icebergs do not form at sea, but are masses detached from the glaciers which form on the land and project into the sea, where great blocks break off and float out to sea. There is hardly any limit to the size of these masses, and as ice is lighter than water they may float a long time with a large part of their bulk beneath the surface and melting gradually by contact with warmer water.

**Average Vocabulary.**

The size of the average person's vocabulary has been estimated at about 5,000 words. Shakespeare's vocabulary has been computed variously as containing from 15,000 to 24,000 words, and it includes the root words and inflections. Milton's vocabulary has been estimated at 13,000; the Bible contains 5,674 Hebrew and Chaldee words and 5,674 Greek words.

**Two Minds in Accord.**

Clergyman (intent on administering a gentle reproof to bridge-playing parishioner)—"I am afraid much valuable time is wasted on playing cards." Bridge-playing Parishioner—"I quite agree with you. The time taken by some players in shuffling, dealing or deciding what card to play is simply exasperating."

**Just at Hand.**

"The best things are nearest, breath in your nostrils, light in your eyes, flowers at your feet, duties at your hand, the path of God just before you. Then do not grasp at the stars, but do life's plain, common work as it comes, certain that daily duties and daily bread are the sweetest things of life."—Marcus Aurelius.

**How They Breathe Under Ice.**

The ability of a beaver to remain under water for a long time is really not so strange a problem as it looks. When a lake or pond is frozen over a beaver will come to the under surface of the ice to expel breath, so that it forms a wide flat bubble. The air coming in contact with the ice and water is purified, and the beaver breathes it again. This operation he can repeat several times. The otter and muskrat do the same thing.

**Foods for Protein.**

Meat, milk, eggs, fish, cheese, beans, peas, nuts and cereals are the foods which furnish protein in quantity for the human body.

**"BAYER CROSS" ON ASPIRIN**

Always Ask for Genuine "Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine "Bayer Tablets of Aspirin," owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin Tablets were sold recently by a Brooklyn dealer which proved to be composed mostly of Talcum Powder.

"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package.

Aspirin is the trade mark of Bayer Manufacture of Monoceticacidester of Salicylicacid.

**Reviving Picture Frames.**

Often the gilding on picture frames that are otherwise good has become cracked or soiled. Buy a bottle of liquid gold and apply it to the frame. If large bits have chipped off, remove all before retouching, otherwise the renewed surface will be uneven.
