

TANGO DANCING AT THE YANKEE ROBINSON CIRCUS

And now the tango has invaded the realm of the Circus. WOT? The truth. The whole truth and nothing but the truth. For when the Yankee Robinson Three Ring Wild Animal Circus comes to Alliance for a one days' exhibition at the W 3rd Street grounds on Tuesday, July 22 there will be exhibitions of every sort of tango that exists. There will even be a sample of the oldest tango in the world, originated from the time that Adam and Eve had trouble over their rent in the restricted Eden district and were forced to move without waiting for the first day of May.

The Dancers?—With your kindest attention, permit us to introduce "Texas Tommy" and "Lady Virginia" both true exponents of not only the Tango but the more modern Maxixe and "Tickle Tom". Both are tango dancing horses, let it be known and when they start dancing nothing in the code of Convention of Dancing Masters of America that can ever approach them.

Of course there are other tango dancers with the circus. There are tango dancing elephants, tango dancing polar bears, tango dancing men and women and tango dancing dogs. And of course they all form a part of the circus performance. All of this—as the announcer would say—only forms a small part of the circus that is coming here.

There is a Capt. Tiebor with his troupe of musical seals, a horseback riding leopard, a lion who actually loops the loop, a mixed group of lions, tigers, leopards, pumas and hyenas, all performing in one large steel arena. There are thirty real funny clowns and hosts of crobats, gymnasts and aerial performers. As an added feature young Hackenschmidt World's Champion middle-weight wrestler will meet all comers at each and every performance. They are all there with many other circus features and can be seen in the mile long street parade which will leave the circus grounds at noon.

ALLIANCE EVIDENCE FOR ALLIANCE PEOPLE

The Statement of Alliance Residents Are Surely More Reliable Than Those of Utter Strangers.

Home testimony is real proof. Public statements of Alliance people carry real weight.

What a friend or neighbor says compels respect. The word of one whose home is far away invites your doubts. Here's an Alliance man's statement.

And it is for Alliance people's benefit.

Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills.

G. H. Williams, stationary fireman, 421 Yellowstone St., says: "My back was lame and ached steadily and heavy work would hurt me up. Doan's Kidney Pills relieved me and I endorse them as a first class kidney medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Williams had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

No Rabbits in Palestine.

Among the hoofed animals found in Palestine are the fallow deer, a European type, gazelles and other antelopes, characteristic of Africa. The wild boar, still common, seems to have had for its Biblical companion Behemoth the hippopotamus, though this became extinct ages ago. His pigmy relative of the rocks, the little hyrax, is a well-known beast of Palestine, and is also of African type, Africa being the home of the family. This is the 'coney' of Scripture, but there is no rabbit in Palestine.

Artificial Eyes.

During the year 1840 Professor Boissoneau of France created what could honestly be called an eye that was human in appearance. The method of manufacturing was practically the same as that employed at the present time, with the exception that in the intervening years great improvements have been made in imitating the colors, that are almost lifelike in their effect. Besides, many improvements have been made in the shapes, which are practically molded to conform to the socket and fill all the available space.

"FAKE" ASPIRIN WAS TALCUM

Therefore Insist Upon Genuine "Bayer Tablets of Aspirin"

Millions of fraudulent Aspirin Tablets were sold by a Brooklyn manufacturer which later proved to be composed mainly of Talcum Powder. "Bayer Tablets of Aspirin" the true, genuine, American made and American owned Tablets are marked with the safety "Bayer Cross." Ask for and then insist upon "Bayer Tablets of Aspirin" and always buy them in the original Bayer package which contains proper directions and dosage. Aspirin is the trade mark of Bayer Manufacture of Monocetioicacidester of Salicylicacid.

Various Falls.

"Fall in" is an old military command, originating in the idea of giving up individually, and becoming part of the military machine, when in line. Fall means more than "tumble," as for instance, "to fall from grace," "to fall asleep," "befall," etc. It is also used in the sense of classifying, "to fall into place," which may give the derivation desired.
