

Don't Fail to See the

Second Largest Live Stock Market of the World

*when you come to Omaha
for the Ak-Sar-Ben festivities.
Visitors are always welcome.*

*See how the thousands of cars of stock
are handled daily.*

Here is where the stock raiser and stock feeder meet. More feeder cattle and sheep are sold in Omaha than at any other market.

The demand for fat stock is increasing rapidly. Five large packing houses and eight smaller concerns are located here, also, several of the largest order buyers.

The service rendered and facilities furnished at Omaha are the factors responsible for the phenomenal growth of this market into second place in a few years.
