

High School Notes

The freshman class enjoyed a picnic supper Friday night at Purinton's grove. The members of the class made the trip in trucks. A plentiful supper was served, games were played, and everyone had a fine time. Many unbidden visitors dropped in during the evening, but conducted themselves with such unexpected propriety that the party was not in the least disturbed.

The Alliance high school played a football game against the city team Friday night at the fair grounds. The score was 12 to 12.

Friday morning the high school listened to a talk by Mr. Lloyd Thomas. His subject was "Opportunities in Western Nebraska," and was instructive as well as very interesting.

A duck hunting party, consisting partly of the men of the faculty, brought home thirteen ducks Saturday. These hunters are not superstitious, and enjoyed a duck dinner with Mr. and Mrs. Cross Monday.

Superintendent Pate was in Grand Island Monday.

The high school received a visit from Miss Loomis of the Domestic Art department of the state university Monday.

The school had nother good "sing" Monday morning. Everyone likes these affairs, but it takes the good old favorites, "Smiles" and "Till We Meet Again" to bring forth really great enthusiasm.

There will be a football game between the Alliance and Bayard high schools Friday. If Bayard can play football as well as they play basketball, the game will be well worth attending.

A MERCILESS JUDGE

One Who Shows No Favor.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from an Alliance resident has withstood this sternest of all tests.

Mrs. Celia Weaver, 122 Yellowstone, Ave., says: "I was troubled with kidney complaint for some time and learning that Doan's Kidney Pills were a good kidney remedy, I began taking them, procuring them at Holsten's Drug Store. I can say in all earnestness that they cannot be excelled for during backache and kidney ailments. It took only a short use of Doan's to rid me of severe pains in the small of my back, enabling me to stoop and straighten my back without a painful effort."

OVER FIVE YEARS LATER Mrs.

Weaver said: "I seldom have need of Doan's Kidney Pills now. I am never troubled the way I was before using them. I take a few now and then and they always drive off any return symptoms and keep me in good health."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Weaver had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 42-2t

First Millionaire.

Stephen Girard of Philadelphia, who lived from 1750 to 1831, was one of the first, if not the first, millionaire in this country. He began as a sailor, became a merchant, shipowner and banker, and at his death left \$6,000,000 to found the Girard college, as well as other large benefactions. John Jacob Astor, who established the Astor fortunes by fur trading and land speculation, lived from 1762 to 1848, during which time he amassed about \$30,000,000.

Many Have Felt the Same Way.

Nothing is to be said in commendation of the spirit of the man who recently advertised in a London newspaper: "Loud, second-hand gramophone, wanted for reprints." Many people, however, not only in London but in many other towns the world over, are only too familiar with the circumstances which provoked this vengeful and mistaken determination. Such circumstances certainly constitute one of the things which will need to be "seen to" sooner or later.

Bagged. Into the bottom of a new traveling bag is folded a water-tight union suit so that a person can use the affair as a life preserver, the bag being buoyant enough to hold him up in water.

What's all this talk about "SATISFY"?

"SATISFY"—What does it mean? —not in the ordinary sense, of course, but in the smoke-sense?

Know what a drink of cold water does for your thirst?

Sure! "It touches the spot."

Well, that's what Chesterfield cigarettes do for your smoke-hunger. They touch your "smoke-spot." They let you know you're smoking. They satisfy.

And satisfy is something that no other cigarette can give you—regardless of price.

Because the Chesterfield blend—fine Turkish and Domestic tobaccos—is the manufacturer's private formula. Unlike a patent, it cannot be copied or even closely imitated.

Light up a Chesterfield, sometime today, and see how quickly your smoke-sense will put the O.K. on "satisfy."
