DRINK MORE WATER IF KIDNEYS BOTHER

Eat less meat and take Salts for Backache or Bladder trouble—Neutralizes acids.

Uric acid in most excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody will Know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 60-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

and shall in addition provide for asking bids on any material or materials which may be suggested by petition of the owners of record title representing 25 per cent of the abutting property owners in such district, if such petition is filed with the City Clerk before advertisement for bids is ordered. On the opening of bids for paving in such paving district, the mayor and council shall postpone action thereon for a period of not less than ten days. During said period of postponement the owners of record title representing a majority of the abutting property owners in such district, may file with the City Clerk a petition for the use of a particular material for paving, in which event a bid on that material shall be accepted, and the work be done with that material. In case such owners fail to designate the material to be used in such paving in the manner and within the time above provided, the mayor and council shall determine upon the material to be used, provided the mayor and council may in any event at its option reject all bids and re-advertise, if in its judgment the public interest require.

The streets and avenues abutting upon said property within such district to be paved, unless objections are made in the manner and form above stated, are as follows: All that portion of Box Butte Avenue in said city between the south line of Fifth Street, and the north line of Tenth Street; all that part of Fifth Street situated between the west line of lot 21 County Addition to the City of Alliance, if extended south to intersect said Fifth Street, and the east line of lot 22 County Addition to the City of Alliance, if extended south to intersect Fifth Street; all that part of Sixth Street situated between the west line of lot 15 County Addition to the City of Alliance, if extended south to intersect said Sixth Street, and the east line of lot 24 in County Addition to the City of Alliance, if extended south to intersect said Sixth Street; all that part of Seventh Street situated between the west line of lot 12 County Addition to the City of Alliance, if extended north to intersect said Seventh Street, and the east line of lot 27 County Addition to the City of Alliance, if extended north to intersect said Seventh Street; all that part of Eighth Street situated between the west line of lot 6 block 8, second addition to the City of Alliance, if extended south to intersect said Eighth Street, and the east line of lot 29, County Addition to the City of Alliance, if extended south to intersect said Eighth Street; all that part of Ninth Street situated between the west line of lot 9, block 3 second County Addition to the City of Alliance, if extended south to intersect said Ninth Street, and all that part of Tenth Street situated between the west line of lot 4 block A, Sheridan Addition to the City of Alliance, if extended south to intersect said Tenth Street, and the east line of lot 5, block M, Nebraska Addition to the City of Alliance, if extended south to intersect said Tenth Street.
