

**PURE BRED SALE  
ON DECEMBER 16**

Happy Hollow farm will be the scene of a pure bred stock sale on November 16, and anyone is at liberty to consign cattle or hogs for the event, provided only that it be shown registered. Entries may be made up to the time the sale begins. Consignments have already been made by E. T. Kibble and L. E. Bliss & Son, and some desirable offerings have been listed.

It is desired to make this sale the opening wedge in a campaign to promote the breeding of thoroughbred stock in Box Butte county, and Colonel Bliss is deserving of considerable credit for the interest he has taken in the matter. That others are interested also is shown by the fact that Messrs Sweet and Plumb of the proposed Alliance Packing company will be present at the sale and will present charts and pictures designed to prove that it pays to raise thoroughbred stock for every kind of market.

Anyone who has pure bred stock with the registration papers can list it for this sale with L. E. Bliss or with Charles Brittan at the First State Bank. Watch for the advertisement in the next issue of The Herald and make your arrangements to be on hand and get a start in the thoroughbred cattle or hog business, or if you already have a start, add some of the good blood lines that will be offered. You'll find it one of the best investments you ever made.

**RUFUS JONES  
WILL REMAIN  
IN ALLIANCE**

Continued from Page 1.)  
ance has been of an unusually high caliber—for there can be no question that his expert knowledge of his profession is such as to place him in the front rank—but what he has done has been accomplished, as another of his directors expressed it recently in a public meeting, without "walking up and down Box Butte avenue and crowing like a rooster."

The Herald is firmly convinced that if Rufus Jones had left Alliance the town would have regretted it within forty-eight hours after his departure; and we believe just as strongly that there will be a general rejoicing because he is to remain.

—Mrs. Graybill and Mrs. J. Lovell Roe, from Lakeside, were shopping in this city Wednesday and Thursday.

—Oakley D. Seeley, formerly of Alliance, arrived Friday morning from Sheridan. Mr. Seeley has been in the hospital for the past few weeks, suffering from injuries received in a railroad accident.

—J. D. Kane, who has been having a mild attack of smallpox, was released from the detention hospital Tuesday.

—E. D. Tyler of Lakeside is spending Friday in Alliance.

—Norman McCorkle is expected to return tonight from a trip to Kansas City.

—Mrs. A. J. Kearns and baby son departed Tuesday night for an extended visit with Mrs. Kearns' parents in Indiana.

—A. M. Blackwood of Denver was in Alliance visiting Thursday.

—Miss Agnes Jones of Antioch spent Tuesday and Wednesday of this week with Alliance friends, while enroute to Crawford where she is teaching school.

—Mrs. Mice Dunning returned Thursday from a business visit at Hysham, Mont.

—A. J. Schenks, passenger conductor between Alliance and Denver, has recovered from the attack of ptomaine poisoning which he suffered several weeks ago. This week he made the first trip since his illness.

—Miss Martha Dayton of York, Neb., arrived in the city today, and plans to remain here indefinitely. She is an accomplished musician and will organize classes. Her announcement appears in another column. The Herald has enjoyed listening to Miss Dayton's music on a number of occasions, and is confident that she will be a distinct addition to musical circles in the city.

—A daughter was born to Mr. and Mrs. C. A. Dow Thursday. The little one has been given the name of Gwendolyn.

—W. M. Buckley expects to make a business trip to St. Louis for the Newberry Hardware Co. in the near future.

—The Trabert brothers report that their sale was successful, and that they are well pleased with the outcome. The condition of the roads undoubtedly acted as a handicap, but the attendance was good and the stuff brought good prices. The land was not sold and there were a few head of horses which were withdrawn, but every other item brought a good price. Hay sold for \$19 a ton in the stack; milch cows, \$90 to \$100, and stock cattle brought an average of \$60. The Traberts have some nice things to say of their auctioneers, Colonel L. E. Bliss.

—Rev. C. C. Rolit of Minneapolis and Rev. Henry Ives of Sidney have been in Alliance giving sermons in the interest of the local Episcopal church.

—The American Legion charter is expected to arrive within a few days. Those who have had a glimpse at other charters say they are a work of the engravers' art.
