GENTLE RULES FOR FAMILY PRACTICE

Don't start anything before breakfast.

To fathers: Remember that your boy will be disappointed if you don't tell him at least once in his life that he had better go and live somewhere else and see how he lives it.

Every mother is entitled to life, liberty and the pursuit of lost articles.

Don't ask father for money just because he happens to be in good humor. If you do, he will begin to throttle down his face, even when he wants to laugh.—Life.

THE SEVEN-YEAR ITCH

(If You Get It Once You Never Want It Again)

2c 2c 2c 2c 35c a year, 8c per month Punk Poetry

His cheeks are skinny and hollow and white,
His pointed chin is a comical sight;
I don't think his brains are any bigger 'n a bead,
But his feet are very big indeed;
His nose sticks out as pointed as a nail,
While on his feet he's slow as a snail;
His eyes are very large and green,
While some worn out brown hair covers his bean;
In diameter his ears must be two feet,
While some calico britches covers his seat;
His mouth's as crooked as a live rattlesnake,
While to comb his hair he must use a rake;
His hands are big, his fingers small,
And he's as awkward as he is tall;
He resembles a giraffe in neck so long,
And everybody plugs up their ears when he sings a song;
And his muscle's thin as the tail of a rat;
When you see his old grin it scares you quite a bit,
He wears stylish clothes so with the girls to make a hit.

—By Paul.

Willum — "What's the littlest thing on earth?"
Paul — "Hank's brains, if he has any."

The Seven Year Itch's artist Willum will draw any one's picture. See Willum or Paul for more information.

We've even heard of RABBITS dying from THE SEVEN YEAR ITCH.

Exams

Many anxious faces fill the school-room now,
For Examinations are but a week 'off and some of them don't see how they're going to do that arithmetic and geography, too;
They know they can't do spelling and with music the same is true;
Even the thought of history they simply can't endure,
In reading they'll get 60 and they'll flunk in language sure;
The drawing simply can't be done, it's the same with Arith., too,
In fact the thought of the whole darn thing makes a body feel blue.

—By Paul.

Paw!—"Willum, what's this world coming to?"
Willum—"I dunno, why?"
Paw!—"I saw Mike Long working!"

Rabbits ain't no good in the summer time because they have boils. So I guess me an' Bill 'll have this one now.

Paw!—"Why has Hank been looking so pale lately?"
Willum—"He's just beginning to worry how he's going to die."

The Rabbit is well named because it's going out fast.

If they'd only begun before Christmas, me an' Bill would have had rabbit instead of turkey for Christmas dinner.

To those who don't know, The Rabbit is an Emerson make believe paper.
