

HOW MUCH DO YOU KNOW?

(If you can answer correctly all of the questions given below, then without doubt you are an average American.)

What is the name of that man who, during the present generation, has had the most pernicious influence on American Journalism?

What large city on the North American continent is it whose inhabitants generally are ashamed of their mayor?

During what administration was it that a certain admiral reproved a certain secretary of the navy and was backed up by public opinion?

Give the name of a certain famous poet who, on a visit to this country, was a victim of so much vulgar todayism as to disgust decent Americans?

The inhabitants of a certain country are in the habit of killing and imprisoning with impunity citizens of the United States. Give the name of this country, and state how many decades it will be, in your opinion, before anything is done about it.

What is the name of that invisible thing, generally represented by a piece of oblong green paper, that cannot be eaten and has no value in itself, yet has lost nearly two-thirds of its value in the last five years?

What is that which is not art, which is not literature, which is not drama and which is not humor, and yet which ten million people in the United States go to see every evening?

Give in their proper order the names of those cities in the United States that are noted for: Fleas? Disloyal policemen? Hotel robberies? Congressional bolshevists? Baby carriages? Soot? Boulevards? Flivvers?

Who tampered with the mails? What animal is it that wears furs in summer, silk stockings in winter, goes without clothes half the time, and costs more money than any other in the world?—Life.

PRESBYTERIAN CHURCH

February is the month for stewardship enlistment. Note advertisements of the interchurch world movement in the daily press.

Last Sunday morning the Boy Scouts in full uniform with their scoutmaster, Kenneth Hamilton, were our welcome guests, the occasion being Boy Scout week, the tenth anniversary of the organization of the Boy Scouts in America. A finer lot of scouts would be hard to find than we have in Alliance. A part of the scout law is: "A scout is reverent"; hence recognizing the place of worship in a well ordered life. Come again scouts.

Sunday school meets at 10 a. m. Regular attendance wins the banner. Morning worship 11 a. m., "The Americanism of Abraham Lincoln," the type that is needed today.

Evening service 7:30, "The Known God," a theme to strengthen the heart of man.

Christian Endeavor 6:30 p. m., "What Prayer Will Accomplish," Miss Crocker leader.

"The Presbyterian church stands as it has stood during its entire history, for the unconditional sovereignty of God, for the Bible as the only infallible rule of faith and life, for simplicity in worship, representative government, a high standard of Christian living, liberty of conscience, popular education, missionary activity, and the recognition of all as Christians who accept Jesus as Lord."

"Enter into His gates with thanksgiving and into His courts with praise."

Come and worship with us. First Presbyterian church, corner Box Butte avenue and Seventh street. A. J. KEARNS, Pastor.

CHURCH OF CHRIST

"God's Grace—Our Opportunity" and "The Three Onlys" are the sermon subjects for next Lord's day. The book teaches: "It pleased God by the foolishness of preaching to save them that believe." Are you availing yourself of the opportunity to attend the preaching services? The communion and fellowship is always helpful and will bring the soul nearer to God.

The Bible school meets at 10 o'clock. Classes are provided for all. The "Training for Service" class is growing in attendance and interest. It is not too late yet for you to get in it and make up the review. The Christian Endeavor societies are providing training for the young people. Each department is working in the "Win-One Campaign." There have been additions every Lord's day

since the first of the year. If you are not affiliated in Alliance for Christian service, it will be a blessing to take your stand. Come to the church with a message and a welcome.

STEPHEN J. EPLER, Minister.

A woman seldom means all the mean things she says.

Courtesy is a rare gem, but may be had without price.

A friend in need clings to you for all you are worth.

It is never too late to break yourself of a bad habit.

Scandal is the black sheep of the family of friendship.

When used as a cloak religion is a misfit on most people.
