MACDONALD-BOWMAN

Miss Edna Bowman, daughter of Dr. and Mrs. L. W. Bowman, became the bride of Paul C. MacDonald of Minneapolis, Minn., at the home of her parents on Monday morning at 10 o'clock. Rev. J. Orrin Gould of the Baptist church conducted the wedding services. The occasion was made a delightful and memorable one for the guests by the attractiveness of the decorations which were tastefully done in pink roses and white marguerites, by the dainty wedding breakfast served directly after the ceremony, and by the pretty picture presented by the bride, in a modish dark blue traveling outfit, wearing a corsage bouquet of pink rose buds.

Later the happy young couple left on the Denver train for a honeymoon trip to that city, after which they will reside in Burlington, Ia., where Mr. MacDonald is employed by the C., B. & Q. railroad. The former Miss Bowman has been one of our most popular Alliance girls, and while her presence and activities will be much missed in her circle of friends, she is followed by a shower of good wishes for her happiness in her new life and new home in Burlington.

RATHFACK-KING

Victor H. Rathfack of Theford, Neb., and Miss A. Ruth King, of Whitman were married last Saturday at the office of Judge Tash.

SURPRISE PARTY

About twenty-one ladies, members of the East Side Progressive club, took well filled baskets and went to the home of Mrs. E. Becker on Mississippi avenue, to carry out a well planned surprise on her. The afternoon was spent in conversation and a well prepared feast was spread by the guests. Mrs. Becker was the recipient of a number of pieces of beautiful silver as a token of the esteem in which she is held by her friends. In the evening the ladies and husbands came back and tripped the light fantastic.

The family leave Sunday for California, where they will make their home. They will visit Mrs. Becker's parents, George Fox and wife, at Ft. Morgan, en route.

ON WEDDING TRIP

Lyle Berry, son of Judge L. A. Berry, returned to Alliance Sunday morning from Denver, where he has just been married to Miss Gena

Johnson, of Lusk, Wyo. Mr. Berry is now electrical engineer in charge of the light plant at Lusk. Mrs. Berry was formerly head clerk at a depot store at Lusk. They will return to their home in that city on Wednesday. Alliance friends join in wishing them long lives full of happiness.

PAGEANT OF DEMOCRACY

The Baptist church was filled to its capacity last Sunday evening when the Pageant of Democracy was given by the young people of the church. The theme was the uniting of democracy and christianity to bring the world to hope and light. The program was most impressive and the roles of Democracy and Christianity, portrayed by Misses Ruth Cone and Grace Spacht respectively, were especially well rendered. Miss Marie Howe gave exceptionally good interpretations of "America." Another feature was the processional "Peace We Bring," which was sung by ten little girls.

The costumes of the different countries were very interesting and added much to the enjoyment of the program, as did the sweet song of the little white "Messengers of Hope" and the music of the four-piece orchestra.

Mr. Hickson is an Englishman who has become noted for some very marvelous cures, not in the sense of miracles, but by gradual healing in answer to prayer and as evidence of Christian faith.

All declared her "no amateur" in the art of making ice cream.

GETTING READY TO PAVE BOX BUTTE

Chief of Police Nova Taylor was kept busy Monday serving notice on property owners in the downtown paving district to get the streets and alleys cleared so that nothing will delay the paving gang when it gets started. Surveying is now going on, and by next Monday Mayor Rodgers thinks that the work will be started. The telephone company has been notified to get its poles out of the way in the district affected. Workmen today were removing street crossings at the north end of Box Butte and this work will continue.
