ALLIANCE BRIEFS

At a specially called meeting of those interested in the chautauqua which comes to Alliance, July 5 to 10, the following officers and committees were appointed: President, J. Orrin Gould; vice president, Judge Tash; secretary, A. J. Kearns; treasurer, R. M. Hampton. Committee on sale of tickets, S. J. Epler; advertising, J. Orrin Gould; grounds, Robert Morgan; decorating, Mr. Hamilton; junior chautauqua, Josephine Ganson. It was decided that the season tickets would be on sale two weeks before the time of the chautauqua at the following prices for the twelve numbers of the program: Coupon tickets, \$3.00; adult tickets, \$2.50; children, \$1.25; plus war tax on each. The program this year is an exceptionally attractive one and it is expected that the chautauqua will be a great success. Begin to plan for the entire week July 5 to 10 inclusive.

For about an hour early Friday morning, rain and hail made things lively. The rain was of sufficient amount to delay the city's construction work, where little encouragement is sufficient for much delay, but by noon the men were back on the job. The hail storm lasted for several minutes, and during a part of the time the stones were fairly large. The one the Herald reporter measured was a hair or two over four inches in circumference. One man in from the ranch got out of his car to pick up an exceptionally large one, but was driven to cover before he reached it, another hail-

stone takt; him just back of the right ear. A few window lights were broken.

The city council will meet this evening, primarily for the purpose of opening bids on the sewer and paving intersection bonds voted at the recent city election. It is probable that there will be other matters brought up for discussion, but this is the whole program so far as it has been scheduled. E. K. Haldeman, district commercial manager for the Nebraska Telephone company, is due to come some time this month with a new suggested franchise for his company, but he has not yet set a date.

At the request of the postmaster general the United States civil service commission has announced an examination to be held at Alliance, Neb., on June 16, 1920 for the position of postmaster at Alliance. This office has an annual compensation of \$1,100. To be eligible for this examination an applicant must be a citizen of the United States, must actually reside within the delivery of the office and have so resided at the time the present vacancy occurred. Applicants must have reached their twenty-first but not their sixty-fifth birthday on the date of the examination. Application form 2241 and full information may be secured from the postmaster at the place of vacancy or from the civil service commission, Washington, D. C., or from the local secretary at the Alliance postoffice. Applications should be properly executed and filed with the commission

at Washington, D. C., in time to arrange for the examination of the applicant.

GOOD CITIZENSHIP MOVEMENT FOR WOMEN

The committees are busily at work in an endeavor to enroll all the women voters in the cause of good citizenship. There is no special requirement except that each woman is asked to study her new responsibilities as a voter and to use her ballot thoughtfully and conscientiously. It is hoped that every woman will sign this roll for 100% citizenship.
