THE FIRST BAPTIST CHURCH

This church always has a live program and endeavors to minister to live people. If you are still among the living, it would be a good idea to go to church next Sunday at our church, unless you belong elsewhere. At 11 o'clock in the morning the pastor will discuss the theme: "Believe and Receive." At 8:00 o'clock in the evening the subject will be: "I Believe." The orchestra will furnish some splendid selections. This part of our service has proven very popular. No better music anywhere in the city. This will be the last service at this church in the evening until September. We unite with other churches in evening services at the "Roof Garden" during July and August. Come with us and you will feel at home in our "Home Like Church."

J. ORRIN GOULD, Minister.
F. E. A government film will be shown at the Imperial next Monday under the auspices of the United States Public Health Service. Special matinee at 2:00 p. m. for women. Evening show closing with special feature for men. This program has our most hearty endorsement.

CHURCH OF CHRIST

Summer is here, the harvest is coming, and all are not saved. The church is to help you and your place in the service of God and humanity. God's house is a place for worship.

We endeavor to make each service worshipful and helpful. The subjects for next Lord's day are: "The Spiritual House," and "Back to the Image of God." The Bible school at ten o'clock provides classes for all ages. The lessons are interesting and helpful. The C. E. at seven o'clock is a splendid place for the young people. Others are invited to attend these prayermeetings. Come to the church with a message and a welcome.
STEPHEN J. EPLER, Minister.
