METHODIST CHURCH NOTES

Building work is progressing on the church corner as rapidly as possible. The corner house is being raised, preparatory to moving it to its new location on Seventh and Platte, and the excavation for the new parsonage is early completed.

The sermon topic Sunday morning will be, "God's Eternal Church." We often hear the question, "What will become of the church?" "Can the generations of the future get along without it?" It is freely prophesied by many that the church has no future. These questions will be answered in the sermon Sunday morning.

Sunday evening we meet on the roof garden where Rev. Kearns will deliver the sermon.
