### ANNOUNCEMENTS

#### CHURCH OF CHRIST

We are living in an age of great experiment. More time is being spent on secular affairs than ever before. Less time is being given to religion by the masses. From ancient times the divine law has been, one tenth of our substance and one seventh of our time belongs to God. Have you devoted this portion to Him? Have we been robbers of God? Next Lord's day morning the minister will discourse from the following topic: "The Knew Lodge of the Lord." The evening service will be held on the roof garden if the weather permits, otherwise at the Baptist church. J. Orin Gould will deliver the sermon. Attend these services as attendance is one evidence of our interest in religion. You will be welcome at the Bible school at ten o'clock and at the Christian Endeavor prayer meeting at 6:45. Come to the church with a message and a welcome.

STEPHEN J. EPLER, Minister.
