METHODIST CHURCH
The new conference year begins next Sunday, and all the regular services will be held in the church. Sunday school at 10; morning worship at 11; Epworth league at 7, and evening service at 8. The pastor

will preach at both the morning and evening service.

We are looking forward to a year of progress and advance in the church work. Every condition is most favorable for growth. The ladies' organizations are making programs for enlarged activity; the Sunday school and league probably were never in a better condition, the choir is being reorganized under the leadership of Mrs. Inez Dunning, and there is complete harmony in every part of the church. We have never begun a year in any pastorate where the outlook was more hopeful than here at the present time.

MEARL C. SMITH, Pastor.

CHURCH OF CHRIST

This is the time of the year we begin to think of preparation for the winter. Do we also think of the needs of the church? What are you going to extend the work of the Kingdom of Heaven in your community? Are you a lifter or a leaver? If every professor of religion was giving one hundred percent service the whole town would be taken for Christ. Lord's Day morning the minister will preach on the subject: "The Church—How Supported." In the evening which precedes Labor Day we invite the labor-

Your Old Jewelry Made Over

In almost every home there are pieces of old jewelry of fine quality, yet lacking the touch of modernity which makes them acceptable ornaments.

Doubtless you have several just such pieces, valuable intrinsically and because of associations, but unsuited to your costumes.

Bring these discard pieces to us. We will gladly submit designs and our long experience in such work is assurance that your old-fashioned ornaments will become delightfully new and pretty.
