

WOMEN MAY VOTE ON AMENDMENTS

County Clerk W. C. Mounts has received the following special election instructions from the Secretary of State D. M. Amsberry for the use of the Constitutional election September 21, 1920.

The schedule for regulations to govern the special election, for the adoption or rejection of forty-one proposed amendments to the state Constitution to be held throughout the state of Nebraska, September 21, 1920, is compiled from the measures passed by the state Constitution Convention.

The election will be held on Tuesday, September 21, 1920, with the polls open from 8 a. m. to 9 p. m.

2. Provision is made for just one election board consisting of the usual number of judges and clerks for each precinct.

3. For the purpose of this election, women are electors and entitled to vote on all propositions. A ballot marked by the two words, "Women's Ballot" printed in bold faced type at the top of the ballot shall be provided for women electors. The men's ballots need no designation.

4. Two ballot boxes shall be provided; one for the women's votes and one for the men's vote. Ballots must be kept separate after counting.

5. The form of ballot has already been certified to each county clerk. It is to be printed in pamphlet form, but the back page must remain blank so that the judges can sign on the back of the ballot and the same can be folded by the electors without exposing the face of the ballot. This can be done either by adding blank pages longer and printing the four propositions on the back page of the certified ballot on the foregoing pages.

6. The county clerk is to provide ballots for this election the same as in general elections.

7. Sample ballots will not be required, but the ballot shall be published in two papers in the county, or two papers having a large circulation in the county, not more than ten days nor less than three days before election. Selection of papers to be made by the county clerk.

8. The men and women electors shall be registered in separate poll books, or in separate divisions of the same poll book, in each precinct.

9. Men and women votes must be tallied separately on each amendment.

10. The abstract of election blanks to be forwarded to the Sec-

retary of State will call for; Women's votes, "Yes" Women's votes; "No" Men's votes, "Yes," Men's votes "No" on each amendment.

11. Former instructions have called attention to the fact that the clerk shall cause a notice of said election, including the Governor's proclamation, to be posted in each precinct according to the general election law, and in addition, shall publish such notice in two papers of the county for four weeks next preceding the election; these papers to be designated by the county clerk.

12. Voting by mail will be allowed under the general law. Separate mail ballots for women must be provided.

Crawford is preparing to entertain you. We want you to come to see us at least once a year. Come and join the thousands at our Tri-State Fair, September 16-17-18. \$0

The Herald \$2.50 a year.

The Clock in Your Living Room

You choose it for the distinctive qualities of beauty, dignity and accuracy. Unfadingly accurate, yet lacking beauty of design, you do not wish it. Having a case of exquisite fineness, but of inferior timekeeping ability, a clock is worthless. But combining ornamental value and reliability as a time piece, it fills a vital need in your home.

You find at Thiele's only clocks having these essential qualities. Accurate timepieces, beautifully designed, striking or chiming, they are splendid values.

Mantel Clocks \$10.00 to \$60.00
Wall Clocks \$10.00 to \$50.00
