"While in New York recently I heard that many clothes makers are finding it impossible to deliver, owing to the woolen mills' delay in fabric manufacture. It does not look as though you folks are suffering, from the enormous selections you offer," said a customer.

**ANNOUNCEMENTS**

**METHODIST CHURCH.**

We are glad to note that the Sunday school is coming back to its normal attendance after the summer vacation. The young ladies' class, composed largely of the city teachers, has been reorganized with a good enrollment, and the high school boys' with class Professor Chase as teacher, will be started next Sunday. The attendance last Sunday was 156. The annual rally day for all departments of the church will be held the first Sunday in October. The goal for Sunday school attendance is set at 250. We invite all those who have attended in the past, or all whose duties do not call them elsewhere, to be present at the services on that day.

The sermon topic Sunday morning will be "The Inner Circle." It was the plan of Jesus to convert the entire world through the new disciples who would go with him through life and share his sufferings. There are many disciples who are not in the inner circle. They will be saved, but their reward will not be as great. And while there are few who enter it, it is open to all. In the evening the topic will be, "Can I Know I Am Saved?"

MEARL C. SMITH, Pastor

There will be special music. In the evening Dr. Taylor will give a stereopticon lecture showing pictures of the scenic grandeur of America and the challenge of the great home mission task. You will enjoy these pictures, come. The evening service will begin at 7:15 in order that all of our people will have opportunity to hear the message of Dr. S. G. Dorey of Denver, who speaks at the Union services at the M. E. church at 8:30. Sunday school, 9:45. C. E., 6:30. All are cordially invited.

A. J. KEARNS, Pastor.

**BAPTIST CHURCH.**  
Nobody would be willing to live in a town today without a church. Yet there are many people in every city who do not appreciate the blessings a church provides for a community. The leaders of the coming generation must be trained today. Our children receive their moral and religious training in the home and churches of the community. Every church in Alliance would be glad to welcome you to any of its services next Sunday. The music, meditation and worship will enable you to forget the more disagreeable things in life. Remember our services are arranged to help you. Next Sunday at 10 o'clock the Sunday school meets and there is a class for you. The church services follow at 11:00. Sermon subject, "The Great Commission." Junior and B. Y. P. U. at 7:00 p. m. We unite in the Union service at the Methodist church at 8:00 o'clock in the interest of the Near East campaign. Bring your friends and enjoy the services of a "Home-like Church." Corner of Seventh and Laramie.
