#### METHODIST CHURCH.

Next Sunday will be observed as "Newcomers Day" at the morning service. In a city like Alliance where so many are moving in and out almost daily, there are always a good number of "strangers in our midst." It is the purpose of the church to make these feel at home in their new location. At the morning service also, the doors of the church will be opened to receive any new members who may wish to unite with us. In the evening, the pastor will speak on "The Glory of Methodism". While God is using many denominations to spread his kingdom, He has used Methodism in a larger way than any other Protestant denomination in America. We feel that Methodists should know something of the vastness and glory of their own church. The two leaders in the Epworth League devotional meeting for Sunday evening are Ruth Donnan and Ethel Graham. The chapter to be studied is the first Psalm. The ban-

ner goes to the side answering the largest number of questions.  
M. C. SMITH, Pastor.

At 9 o'clock the building will be turned over to the democratic rally, at which Harry B. Fiehart is the speaker.

Douglas Fairbanks in "The Mollycoddle" is the attraction for Saturday. There is little question but that it is the finest thing Douglas Fairbanks has ever done for the screen.

"The Fighting Chance," the bill

for Sunday, is a picturization of Robert W. Chambers' famous novel. It is the story of a scion of an aristocratic old New York family, Stephen Sward, who has inherited a taste for strong drink. His... bids fair to conquer him, until he meets Sylvia Landis at a fashionable week-end party in the country. She is engaged to marry Stephen's chief enemy, Quarrier, who has already done young Sward much harm in a social and business way. But, seizing the "fighting chance" of winning Sylvia and overcoming his falling for alcohol at the same time, Stephen engages in a dramatic battle and many comes out successful.
