### AT THE CHURCHES

#### CHURCH OF CHRIST

"The Two Covenants" or "Rightly Dividing the Word," is the continuation of the series on the Book of Hebrews that the minister is preaching at the morning service. "The Herald of a New Day," is the evening subject. Make these services what you will. It is the desire of the minister to present the Gospel at each sermon and he appreciates the kindly interest at every service.

Mrs. Scotten, the chairman of the Christmas program, is working hard and promises a great program on Friday evening, December 24th. The offering on that occasion will be used for disabled ministers, their orphans and widows.

We are making an effort to raise the amount of the paving tax which is due January 18th. Many are responding nobly to this call. A gift from each one will raise the amount. Come to the church with a message and a welcome.

STEPHEN J. EPLER, Minister.

### FIRST BAPTIST.

Sunday school at 10 a. m. Evening services: B. Y. P. U., 6:30 p. m.; preaching, 7:30 p. m. Rev. B. L. Kijne will preach. Everybody is welcome.

### METHODIST CHURCH

The junior league will meet at 3 o'clock Sunday afternoons for the present, instead of 6:30 as formerly. Floyd Donovan will lead the league Sunday night, using the regular Epworth league lesson as given in the Herald.

Next Tuesday, December 21, marks the three hundredth anniversary of the landing of the pilgrims. So that in commemoration of this event, the sermon topic Sunday morning will be "The Spirit of the Pilgrims."

Sunday night at 7:30 the choir, under the direction of Mrs. Dunning, will give a musical program. Our choir has made splendid progress this year and deserve commendation for their excellent work. Many large

city churches are not as fortunate in the music as we are. There is a total enrollment of some fifty members, and a usual attendance of about half that number. Mrs. Hershman's work at the piano and as a soloist has been greatly appreciated by the choir and congregation. The Sunday night program is:

#### DRIVEN TO IT

"Ah, you have a dog. I thought you didn't like dogs." "I don't. But my wife picked up a lot of dog soap at a bargain sale."—Louisville Courier-Journal.

Government price experts are predicting a reduction by spring in prices of food and clothing. But the public has heard such optimistic prophecies before and is now reduced to a purely philosophical attitude of hoping for the best, but prepared for the worst.

The United States bureau of statistics says food prices are still going up. About the first of the month we suspected as much.

All the good-looking men criminals will vote that the good-looking woman jury is just the prettiest thing that ever came down the pike.
