

AT THE CHURCHES

BAPTIST CHURCH
Rodger Babson in "Babson's Barometer to Merchants and Bankers and Investors" writes: "The need of the hour is not more legislation. The need of the hour is more religion. More religion is needed everywhere—from the halls of congress to the factories, mines, forest. It is one thing to talk about plans and policies; but a plan and policy without religious motive is like a watch without a spring or a body without breath of life."
"The trouble today is that we are trying to hatch chickens from steril eggs. We have the finest incubators in the world, but unless the eggs have the germ of life in them, all our efforts are of no avail."

Thus speaks a man who is looked up to as an authority in financial matters. And yet there are many in Alliance who think themselves so wise that they know religion is of no importance to them either from a financial or social standpoint. Listen, the best sheriff you have in the county is the church. The best security to the life and social fabric of Alliance is the church. So support them by your presence as well as your money.
Stand true to the church of your choice, and stop worshipping by proxy. It cannot be done. The preachers do not enjoy preaching to your money. It is you they wish to speak to.
The Baptist church invites you to the following services Sunday: Sunday school at 10 a. m.; sermon at 11, topic, "Fire, or a Moving Picture of Sin"; B. Y. P. U. meetings at 7:00 p. m.; Junior at the same time in the parlors; afternoon junior church at 2:30 p. m.; evening sermon, John 3:16, or "How Do We Know?"
Come to the church where folks are happy. Sixty have thus far stepped forward for the better life. Others are considering earnestly. Baptism following the evening services.

PRESBYTERIAN CHURCH
Items from afield: (From time to time we hope to present a few items of interest from the activities of the religious world and particularly of the Presbyterian church in the U. S. A.):
"Pledges amounting to \$5,000,000.00 for college buildings and endowments have been received by various of the fifty-seven Presbyterian colleges according to estimates given before the Presbyterian general board of education at its annual meeting at the board headquarters, 156 Fifth ave., New York. The increased pledges were due to the Presbyterian board's education New Era fund which served as a challenge to colleges and resulted in stimulating activities."
"Homer Rodeheaver, evangelistic singer with Billy Sunday, has been secured to lead the singing at the pre-assembly conferences at Winona Lake, Ind. The 133d Presbyterian general assembly opens at Winona Lake May 19."
Next Sunday's services:
Sunday school at 9:45 a. m. Be on time as we are going to practice some of the songs for children's day.
Morning worship at 11 o'clock—"A Sermon to Church Members."
Evening service at 8 o'clock—"The Incarnate Word."
Young People's meeting at 7 p. m.—"How to Enjoy One's Work."
All are cordially invited to these services.
A. J. KEARNES, Pastor.

LUTHERAN CHURCH
Sunday afternoon, as on Pentecost, a special service will be given. This year's confirmation class, consisting of two members, will pledge faithfulness to God and the church. Our earnest wish is, that they remain faithful. It is a deplorable fact that many people make promises in business transactions, but seldom keep the promises they make. In confirmation we make a promise to God. Let us keep this promise. "Be thou faithful unto death and I will give thee a crown of life."
Rev. 2:10. Service is in German at 2:30 p. m.
F. DROEGEMUELLER, Pastor.

All are welcome.
C. R. MATTISON, Pastor.
