

# CHURCHES

**LUTHERAN CHURCH.**  
Divine service in English Sunday afternoon at 2:30 o'clock. Sunday school after the service. We extend a cordial invitation to all strangers and fellow worshippers.  
F. DROEGEMUELLER, Pastor.

**BAPTIST CHURCH.**  
There was no prayer meeting this week out of courtesy to the brethren at the Christian church.  
We are glad that our folks are attending these meetings when they can, they will do you good.  
A fine cottage meeting was held Tuesday afternoon at the home of Mrs. Henry Beach. We are hopeful of having the best meetings in the history of our church beginning the ninth of next month. Let every member lay aside all lodge meetings and unnecessary pleasure occasions, and devote the maximum of your time to these meetings. They will not last over two weeks, and we hope to crowd in that time four weeks' work. Can we do it? Yes, if you will co-operate.  
We are glad to hear that some of these laboring men are taking a package of our weekly envelopes, to support our finances. Men we are proud of you and shall show it by standing by you whenever we can. The church has been hard hit, and with your help we will yet pull through as victors.  
Come to our services and we will do you good.  
Subjects for Sunday morning, "The Kinsman Redeemer." Evening "Jonathan and David." Men's Bible class at 10 o'clock. B. J. MINORT, Pastor.

**METHODIST CHURCH.**  
For the information of all those interested, we wish to state that the revival meetings now being held in the Methodist church is not a Methodist meeting, but Seventh Day Adventist. The old Methodist church was purchased nearly two years ago by G. M. Burns, and according to the terms of the sale, he has generously permitted us to use the building until our new one was ready for occupancy. The owner, therefore, has the use of the building whenever it does not interfere with our usual services, and the religious denomination now holding the meeting has arranged with him for its use for a few weeks. Since there is nothing in the general advertising of the meeting to indicate that it was not a Methodist revival, and many people have thought it was, we feel that this information is due the public.  
The titling campaign which has been carried on the past few weeks has so far resulted in nearly twenty signed up tithers, with more to follow. A number of these are making their first venture in tithing. All of them will be abundantly blessed in honoring God with their substance.  
"God's Marvelous Love," will be the sermon topic Sunday morning. In the afternoon at 3 o'clock the pastor will preach at Fairview. In the evening the subject will be, "Is the Church a Failure?" Answering two important articles which have appeared in recent popular magazines, one by Frederick Collins in 'The Woman's Home Companion' and the other by Dr. Frank Crane, ex-Methodist minister, in 'The Century'. The false reasoning will be shown in each of these articles, and also the real purpose of the Christian church.  
MEARL C. SMITH, Pastor.

**CHURCH OF CHRIST.**  
Next Sunday will be a great day. We are expecting 300 in Bible school. Evangelist Cooper will preach both morning and evening. In the afternoon a "Stewardship Rally" will be conducted by Miss Cora Henry of Lincoln and Miss Winona Wilkinson who recently returned from China. The former is secretary of the woman's missionary work in Nebraska and the latter spent seven years as a missionary in LuChoFu, China. The afternoon meeting will be held at 3 o'clock.  
Blow is a list of sermon subjects for the meetings:  
Friday—"Repentance—What Is It?"  
Saturday—"Confession—Is It of Any Value?"  
Sunday morning—"Communion."  
Sunday afternoon—Stewardship Rally.  
Sunday evening—"What Is Your Excuse for Not Being a Christian?"  
Monday—"Who Won the War?"  
The Junior orchestra plays each night. A question box is at the door to receive any question concerning the Scriptures that you may have. Interesting meetings each evening at 7:30. The Communion service in memory of our blessed Lord is observed each Lord's day. Come to the church with a message and a welcome.  
S. J. EPLER, Minister.

**PRESBYTERIAN CHURCH.**  
Next Sunday is "World's Temperance Sunday". It will be observed in the Sunday school at 9:45 a. m. with special opening exercises. The Anti-Saloon League has named the day, "Not-over" Sunday indicating that we are to stress the fact that the battle for temperance is not over. The signing of the Declaration of Independence made possible American liberty, but it did not bring it at once. The eighteenth amendment made possible prohibition. It must now be established by the efforts of every lover of his country.  
"The Battle Line of Temperance," will be the theme for the morning service at 11 a. m.  
Young people's meeting at 6:30.  
Evening service, at 7:30 p. m. Pictures of mission work among the Indians. Many reservations will be visited including some of the most scenic regions of this country. Especially beautiful the Grand Canyon and Navajo country.  
A. J. KEARNS, Pastor.

Celebrates 98th Birthday.  
TABLE ROCK—The ninety-eighth birthday of Uncle Silas Hays, probably the oldest man in Pawnee county, Nebraska, was celebrated recently. He lives near the depot in Table Rock, with his son, Joseph Hays and has been a resident of this county for a great many years. Many of his relatives dropped in with well filled baskets to remind him he was not forgotten and to spend a pleasant day with the old gentleman. When Mr. Hays was born in October, 1823, James Monroe, the fifth president of the United States, occupied the presidential chair and his first vote for president was cast in 1844 for James K. Polk, the tenth president of the United States.
