CHURCHES

METHODIST CHURCH

The Sunday school Christmas program will be held in the church next Friday evening at 7:30. There will be a Christmas tree with treats for the children. We have heard from Santa Claus, and he will appear also.

The congregation appreciated the solo rendered by Mr. Charles Minick Sunday morning. Charles is one of our Crawford boys who was always in the choir in his home church. Since we knew him, he has attended the university in Lincoln and taken considerable voice training, and has sung solos in a number of the large churches of Lincoln.

In response to our request for twenty new members as a Christmas present for the church last Sunday morning, twenty-nine responded. There were eighteen who came by letter and eleven on profession of faith. Those who came by letter were Mr. and Mrs. E. C. Barker from the Plymouth Congregational church, Lincoln; Mr. and Mrs. Glen Sanders from the Methodist church in Gordon; Mrs. G. E. Chase from the Baptist church; Mrs. Blanch Prettyman from the Christian church of Albia, Ia.; Mr. and Mrs. V. L. Lehr from the Methodist church of Auburn, Neb.; Mrs. M. J. Wisner and Miss Grace Johnston from the Methodist church in Sidney; Mr. and Mrs. J. P. Mann and Russell Man from the Congregational church in Crawford; Mrs. George Neuswanger from the Methodist church of Shelby, Ia.; Mr. and Mrs. H. P. Dearing and Dorothy Dearing from the United Brethren church of Lushton, Neb.; and Mrs. Ollie Westlake from the Methodist church of Grant, Neb.

Those coming by profession of faith were Marshall and Elizabeth Barker, Vernon Hinman, Isabel Drevory, Abbie Drevory, Eunice Dearing, Helen Dearing, Leona Shreve, Mary Josephine Anderson and Wesley McNatt.

MEARL C. SMITH, Pastor.

BAPTIST CHURCH

Some more new pupils in the school. A house full at the evening service. A young man Baptist at the evening service. About twenty taking copies of the Baptist Manual home to read, and consider what our church teaches (and we hope) to decide whether they could conscientiously unite with us. Three new subscribers to our finances, all these and more make one rather proud of being pastor of the Alliance Baptist church.

The evening service are conspicuous for the men and wives who come together. Several are inquiring about entering the church.

Friday, we have our Christmas entertainment, and Sunday both services will be in keeping with the day. Special music and sermons. Another union has decided on transferring to the church for its meeting. Friday the men had a mass meeting at the church, Saturday the debate was held, so practically every evening there is something going on at the Labor Temple as the men has christened it.

Prayer meeting Wednesday, practice of children every afternoon after school. Send your children over.

B. J. MINORT, Pastor.

HOLY ROSARY CHURCH

High mass at 12 m. Low masses at 8:00 and 10:00 a. m.

It is suggested that in homes of those who are to go to the midnight mass the first three or four chapters of the Gospel of St. Luke be read aloud to reverent and attentive hearers at a convenient time after supper and that all distracting and dissipating entertainment be given no place in the evening program.

CHURCH OF CHRIST

In spite of cold weather a chicken pox the Sunday school attendance was way beyond the general average on last Sunday. With each room so that it can be used since the fire, again we can accommodate a much larger attendance. Make next Lord's Day which is Christmas day a record-breaker in attendance. The Sunday school program will be given on Friday evening.

STEPHEN EPLER, Minister.

Did you ever try to tell the truth, the whole truth and "Nothing Put the Truth" for twenty-four hours? The joys (?) of such a course are fully described in the high school play Thursday night at the Imperial.

City Manager's Corner

(By N. A. KEMMISH)

Many of our business men have been in the practice of lowering their window blinds and turning off the lights in their stores when they close up their places of business at night. By doing this they make it easy for burglars to enter and work unmolested. An officer may pass by and there is no way for him to see what is going on inside the store. Business men should co-operate with the officers by having a light burn all night and their windows cleared so that the officers can see inside and all over the store without having to go inside to do so. This will be a very cheap insurance policy against burglary. The merchants should also see that the rear windows are barred properly. We have had only one burglary this winter and due to the alertness of the officers they have been apprehended. This is not always an easy matter.

It is discouraging to try to make conveniences for the public and then have property wilfully destroyed, as is being done at the municipal pier at Broncho Lake. It is a disgrace to the fair name of our community to have such vandalism going on. If the young men and women of our city on their skating parties haven't any respect for property how can they expect the people to furnish them with any conveniences in the future. We had planned on flooding the city park for skating, but with such vandalism going on it does not give us much heart to do things for our young people. It is high time that they should sit up and take notice and see that such practices are stopped if they want anything done for them in the future. They must not shift the responsibility to someone else, but must see that this thing is stopped.

Plans for the community Christmas tree are well under way and full details of the program will be announced Friday. The business men have heartily co-operated in this event, and we hope that the weather will be fine so that all will have an enjoyable time.

Was \$10,000 "easy money" for Bob Bennett when he had to tell "Nothing But the Truth" for twenty-four hours? See the high school play, Thursday night, before you answer the question.
