\$525 IN PRIZES FOR THE BEST RHYMES

A new contest is just being started which will interest every woman and girl who reads this paper. Any woman or girl can enter this Contest—anyone can win! All it is necessary to do is to write a 4-line rhyme on Dr. Price's Phosphate Baking Powder, using only the words which appear either on the label of the Dr. Price can (front and back) or on the printed slip which is found in each Dr. Price can.

Isn't that easy? Everyone likes to make rhymes and here is a chance to spend a fascinating hour or two writing rhymes on this popular Baking Powder and perhaps winning a substantial prize for your efforts.

59 CASH PRIZES.

For the rhyme selected as best a prize of \$100 will be given; for the second, third and fourth best rhymes prizes of \$75, \$50, and \$25, respectively will be given. And besides these prizes there will be 55 prizes of \$5 each for the next 55 best rhymes. With such a long list of prizes as these, it would be a pity not to try your hand at it!

Here is a 4-line rhyme as an example:

Two teaspoons of this powder make Biscuits, muffins, pie or cake,

No alum in the cans to be. The Price Co. guarantee.

As Dr. Price's Phosphate Baking Powder sells for only 25 cents a 12 oz. can at grocery stores, some rhymes could play up the remarkable economy of this pure and wholesome baking powder which contains no alum.

All rhymes must be received by May 1, 1922. Only words appearing either on the label of the Dr. Price can (front and back) or on the printed slip contained inside the can may be used. These words may be used as often as desired, but no other words will be allowed. If you haven't a can of Dr. Price's, a copy of the label and the printed slip will be sent to you free upon request.

Any woman or girl may enter the Contest, but only one rhyme from each person will be considered. In case of ties, the full amount of the prize will be given each tying contestant. Write plainly on only one side of a sheet of paper and be sure to give your name and address.

Send your rhyme before May 1st to Price Baking Powder Factory, 1007 Independence Blvd., Chicago, Ill. 33-35-37

It seems strange, but after you spend months and months finding a house the bill collector finds it without any trouble at all.

A decrease is noted in the number of hogs per capita, which same statistics probably do not include the blind pigs.
