## Joe (Wop) Flynn and Young Billy Papke to Go This Evening

Young Billy Papke, and Joe (Wop) Flynn, who will box tonight at the Roof Garden arrived Wednesday and have been working out before the local fans. Both have shown class and there is little doubt that this will be one of the best fights ever staged in this section of the state. Opinion is about evenly divided as to the outcome of the scrap, both men being tough battlers. Flynn perhaps has the most imposing record, having battled a number of good men and ranked as one of the near-champions. Papke is more of the "roo man" type of fighter having a sleep producing wallop and a reputation as being rugged and able to "take it." Flynn and Papke once before fought a ten round draw, and both maintain that this time the result will be different, although disagreeing on the name of the winner.

Kid Florine, a local lightweight will go six rounds with "Batling Jaeger of Omaha, a newcomer to the ring but known as a comer. He has been battling around Omaha and has acquired a good reputation. Florine is well known to local fans as a clever boxer, and also one with enough punch to make things interesting.

"Cowboy" Wyland will tangle with Lloyd Dotson in a four round preliminary. Both of these men have appeared before in an Alliance ring, Wyland somewhat disastrously as the result of overmatching. Both have boxed in the army and have had some ring experience. They are middleweights, and both have a wallop. This should be a rattling good bout and should please the fans.

The admission to the bout will be \$1 for general admission, \$1.50 for reserved seats, and \$2.00 for ringside seats. Special seating arrangements have been made, all of the ringside seats being chairs, and better facilities for handling the crowd have been arranged for than at the last bout. From the card and from all previous indications this should draw a record crowd.

## High School Track Records Not Broken In Recent Years

Although the Nebraska state high school records for high school track events do not rank with the standings in neighboring states, there are some records of considerable ability on the list. Most of the championship tallies have stood the storm of later competition for a good many years, but this fact does not point to a falling off of ability, but rather to stricter eligibility rules, age limits, and more careful timing and measuring by the officials.

The oldest record is the 220-yard dash time made by Burrus of Lincoln in 1901. His time was 0:22 2-5. The newest record was established in the state meet last spring by Rhodes of Anselby when he made eleven feet eight inches in the pole vault.

Omaha Central holds two of the honors. Carl Lutes heaved the 12-pound shot forty-five feet seven and one-half inches in 1915, while in 1911 the Central relay squad set a pace of 1:56 2-5 for the relay.

Other records follow:  
100-yard dash—10 1-5; held by high dash men. Nobel of Omaha Central made this time in 1918.

220-yard dash—22 4-5; Burrus of Lincoln, 1904.

440-yard run—52 2-5; Hahn of Falls City, 1920.

880-yard run—2:03 2-5; George of Franklin, 1910.

1 mile run—4:41; Nichols of Lincoln, 1918.

120-yard high hurdles—16 3-5; Graves of Kearney Military academy, 1910.

Pole Vault—11 feet 8 inches; Rhodes of Anselby, 1921.

High Jump—5 feet 10 inches; Willey of York, 1909.

Broad Jump—21 feet 2 1/2 inches; Liebendorfer, 1913.

Shot put (12 pound)—45 feet 7 1/2 inches; Lutes of Omaha, 1918.

Hammer throw (12 pound)—155 feet 7 inches; McCarty of Minden, 1910.

Discus throw—120 feet; Hepperlein of Beatrice, 1920.

Relay—1:36 2-5 Omaha Central 1911.

## Baseball Meeting Held On Tuesday Eve at Chamber of Commerce

A meeting was held Tuesday evening at the chamber of commerce rooms, of all those interested in baseball in Alliance. About twenty were present and plans were made for the financing of the team. A dance as a means of raising money for the team was definitely decided on, and a committee being appointed of Harold LeSage, T. E. Carney and Ralph Garvin to make the necessary arrangements for this affair. The players present decided on the suits to be used and these were ordered. This will be an entirely amateur club, no salaries being paid to any of the players. With the players available that Alliance has this was not considered necessary.

Games will be arranged by Manager Snyder with towns near here, and it is believed that this will be as fast as last year's team, which was very successful. The fans should surely turn out to see this team in act on.

## Frank Dailey Breaks Record in Century Dash

Frank Dailey broke the state record Wednesday evening in the 100-yard dash when he stepped that distance in 10 seconds flat, 1-5 of a second faster than the state record. This will, of course, not be regarded as a record, the mark being made in practice. This is the first time that Dailey has beaten Garvin, the school's other likely sprint man, this year. Garvin has been stepping this distance consistently in 10 1/2, nosing out Dailey by about a foot.

Beal in the second actual trial of the season tore off the half mile in 8 minutes 8 seconds. The state record in this event is 2 minutes 3 2-5 seconds, and the local high school record is 1:56 2-5. If Beal can keep up this pace or improve it he will be certain of a first at the western meet, and make a serious bid for this place at the state meet.

Garvin has been gradually improving his record in the discus throw. His best record being 99 feet. He has been losing the weight consistently at this distance.

Dailey slumped some in the 220, making this distance in 24 1-5, or 3-5 slower than his record which he has several times equaled. Both Garvin and Dailey have been brought jumping around 19 feet, Garvin having the best mark, making 13 feet, 7 inches. Killian stepped off the mile in 5 minutes, 7 seconds which while not startling is faster than the best time at the western meet, last year.

## Conveniences And Refinements Added to Ford Enclosed Cars

Many added conveniences and refinements are to be seen in the Ford enclosed cars now being displayed by the local authorized Ford dealers.

The interior of both the coupe and the sedan is now finished in an attractive shade of walnut brown broadcloth; and the seat are upholstered with similar material threaded with chalked ebony-stripe. Heavy floor rugs give an added touch of comfort. Lifts, of a special design, minimize the effort of raising or lowering the windows. Door bumpers insure tighter fitting, and new door grips, both inside and out, add to the rider's convenience.

The demand for Ford enclosed cars has been unusually high during the past two months. Although production has been speeded up in the Ford factory at Detroit, sales continue to exceed the output, making it necessary for purchasers in many parts of the country to wait for their cars. Local dealers say this is the reason they have been urging customers to place their orders as early as possible.

Wet wash calls received before 8:30 will be returned by 2 p. m. 20 lbs. for \$1. Alliance Steam Laundry. 38-41

### PREACHERS ATTENTION.

Lincoln, Neb., April 15.—Winning souls by his prowess as a pinochle player is the modern method used by Dr. S. L. Clemmons, pastor of the Methodist church of this city.

The latest "beneficiary" of Dr. Clemmons' game is S. R. McKelvie, governor of Nebraska. Governor McKelvie met the pastor as "Mr. Clemmons a few weeks ago on a train. The governor suggested a game of pinochle and lost steadily for several hours. Dr. Clemmons, in refusing to accept his winnings, revealed his identity, and made the suggestion that they play one more game to see whether the governor join the church.

McKelvie accepted, and, to use his own expression, "lost the game, but saved my soul."

The governor was baptized Easter Sunday, as a member of Dr. Clemmons' congregation.

The market report from Rotterdam says that pure lard is very weak there. For prompt shipment quotations are ranging from \$23.00 @ 21, but some packers are quoting \$22, which is considerably cheaper. Not knowing just what \$22 stands for, we're willing to take their word for it.

### TODAY'S BEST STORY.

"Does yo' take this woman for thy lawfully wedded wife?" asked the colored parson, glancing at the diminutive, watery-eyed, bow-legged bridegroom, who stood beside two hundred and ten pounds of feminine assurance. "Ah takes nothin'," gloomily responded the bridegroom. "Ah's been looked."

### KNOW YOUR SLANG.

Learn a new word of expression each day, and be able to understand your daughter or the little children in the street.

Expression for today. "It gets me down." This means "It defeats me," or, in plainer English, that it, whatever it is, has you busted.

For further instruction in the mysteries of slang, you will pay close attention to the following conversation between Rosie and Maul:

"What does Jack mean when he says I slide a slippery heel?"  
"You mustn't mind him. That's just his slangy way. What he means is that you wobbie a vicious hoof."

### WHEN SHE SKIDS

I've ventured in an aeroplane and felt my stomach flop. And when we looped—the-loop I thought my heart would surely stop;

I know just how it feels to greet the cool, gray night of dawn, When I "mixed 'em" on the night before (but that's a day that's gone) And once when I was just a kid I took a man's sized "chev,"

And crawled off in a corner where I bade the world adieu! But the "sickest feeling of them all (I feel I can write)

Is when I drive my bus along the Bottom road at night— Without chains— And it rains— And she skids and skids and skids and S-K-I-D-S

Now she tries to climb the hillsides— now she's headed for the ditch;

Each telephone operator has a certain number of lines to answer.

If several people whose lines terminate at one operator's position lift their receivers at the same time, they cannot all be answered at once, but only one at a time.

It is no more possible for a telephone operator to answer every subscriber at once during a rush of calls than it is for a clerk in a bank or store to wait upon everyone immediately during a busy moment.

Drop in at the office any day and we shall be glad to show you how your calls are handled.
