

CHURCHES

CHURCH OF CHRIST.

We are very happy to announce the program for next Lord's day. At 10 o'clock the music led by the Junior Orchestra begins. The Bible school will place you in a class where you will be at home. At 11 o'clock the Communion service followed by the sermon. The subject is, "Cleanliness and Purity." This is in harmony with the clean-up campaign of our city officials.

At the evening hour, following the C. E. prayer meeting, the minister will preach a sermon to the Odd Fellows and Rebeccas. The I. O. O. F. and auxiliary organizations have graciously accepted the minister's invitation to be present and listen to the sermon on the 103d anniversary as an organization. The subject will be, "The Jericho Road." Special music both morning and evening will be rendered by the choir. H. D. Shellenberger will sing at evening service. We shall be happy to greet you at the church with a message and a welcome.

S. J. EPLER, Minister.

METHODIST CHURCH.

At the 11 o'clock worship hour next Sunday, the Easter class of new members will be received into the church. There will be a baptismal service for those who desire it. Members of the Methodist or other churches elsewhere may come by letter, and those who have never been connected with a church, by confession of their faith in Christ as their Savior. The address of the morning will be to the incoming class, from the following question, "What Kind of a Church Would My Church be if Every Member were Just Like Me?"

In the evening, 7:30, the subject will be, "The Christian Sabbath Saturday or Sunday?" We have no intention of attempting to convert any person who may keep Saturday as the sabbath into a Sunday keeper, but we believe our people have a right to know our reasons for keeping Sunday rather than the Jewish sabbath. We presume that any person who has positively decided one way or another on this question will go away as con-

vinced as ever that he is right, but we believe any person who is seeking truth, and whose mind is open to conviction, will agree with us that the vast majority of the Christian churches are keeping the proper day.

The special Easter thank offering last Sunday was about \$35. The Knights Templar deposited an envelope containing \$30, which they designated as a gift for the building fund. The total collection was almost \$150. Thanks to all who helped.

On May 1 and 2 there will be a district conference held in Scottsbluff, at which several distinguished speakers including Bishop Stuntz will make addresses. Any of our people who can arrange to do so should plan to be present.

M. C. SMITH, Pastor.

Anniversary of Odd Fellows to Be Observed April 26

The 163d anniversary of the starting of the Independent Order of Odd Fellows, on Wednesday evening, April 26, will be celebrated by the members of the different branches of the order in Alliance on that date at the gymnasium of the new Methodist church, starting at 8 o'clock. The program will include several features, the chief event being an address by T. Porter Bennett, of Sidney, who was grand chaplain of the Grand Lodge of Nebraska for three years. The services are for all members of any branch of the order, who are requested to be present with their families.

The farmers' movement that brings results is the kind that begins at day-break.—Ashville Times.

Half the population objects to alcoholic beverages going down and the other half objects to their going up.—Cleveland Commercial.

Our politicians keep their ears so close to the ground that criticism goes over their heads.—Brooklyn Eagle.

Those getting in on the ground floor often find there's no elevator.—Cincinnati Post.

The reason men brag about the bee's industry is because men get the honey.

SAYS JOHN P. MEDBURY

Several business firms have installed phonographs in their offices. They figure that with music the stenographers will do more or less work. But a lot of stenographers don't do more and couldn't do less.

Girls used to hunt for positions where the hours were short. Now they'll look for jobs where the music is good.

The firm may pay big wages, but the stenographers won't stay if the boss isn't a good dancer.

Whenever the manager rings she won't know whether he wants to dictate or two step.

He'll ask her to take a letter and she'll tell him she'd rather sit this one out.

Can you imagine a stenographer writing a letter while three or four phonographs are going? She'll start out, "Mr. Smith, Dear Sir, Your letter received I'm a Jazz Baby and in reply would state that I Ain't Nobody's Darling that the carload of Tuck Me to Sleep—"

The guy who received the letter wouldn't know whether he had ordered lumber or music.

The manager would call the chief clerk and the chief clerk would say he'd be there as soon as he finished his waltz.

The cashier would be in with the president and in the middle of the conference he'd hear the phonograph start playing "Home Again Blues" and say "Pardon me, but I have this dance with your secretary."

Employees wouldn't care about working places where they had the newest appliances, they'd want to work where they had the latest records.

No stenographer wants to listen to the boss on the dictaphone when she can hear an opera star on the phonograph.

Music will take away the effects of work and the clerks and stenographers will start going to the office by invitation only.

It won't be long before they start wearing their evening gowns.

Summer Training Camps for Young Men of Nebraska

Young men of the country ranging between the ages of seventeen and twenty-seven will be given an opportunity for a summer's outing with advantages of outdoor life and military training combined. There will be three camps held: one at Fort Snell, Minn., for the residents of North Dakota, Minnesota and Iowa; a second at Fort Des Moines, Ia., for those who live in South Dakota, Nebraska and Kansas; and a third at Jefferson Barracks, Mo., for those who live in Missouri and Arkansas.

The requirements this year are that the candidates must be not less than seventeen years of age and not over twenty-five for the first or Red course. The ages for the White course are between eighteen and twenty-six and for those who attend the Blue course the ages must be between nineteen and twenty-seven.

It is expected that approximately 2,500 candidates can receive the training this year while only 1,200 could be sent to the camps in 1921. All three of the camps will be held during the month of August starting on August 1 and ending August 30.

Applications and requests for applications should be mailed to the Chief of Staff, 89th Division, Army building, Omaha, for those residing in South Dakota, Nebraska and Kansas.
