Western Nebraska Track Meet is On at Fairgrounds

The western Nebraska track meet which is being held this afternoon at the fairgrounds is the largest event of its kind ever held in western Nebraska. Nine schools are entered with over one hundred athletes. A hard blow was dealt to Alliance's prospects, when Garvin, high jumper, broad jumper, weight man and fast century stepper twisted his knee in practice. It was not known just before the start of the meet whether or not he could compete. This will seriously damage the prospects of the blue and white, as Garvin is the only weight man of even fair ability.

The track is reported as fast, and if this continues to be the case, a good many records should be broken. The 100-yard dash, in which there are fifteen entries, will be run in one heat. This should make one of the most spectacular races ever seen in this part of the state, or in fact any place, as there are a number of entries who can step this distance in a somewhat hurried manner. This race will probably see several contestants fighting for the tape.

The 440 is also a much entered race, and there are few races on the program which can equal it for the thrill given to the spectators. Beal of Alliance has made this in 56 seconds, and seems a likely winner.

From California An Echo of Other Days in Alliance

LOS ANGELES, Calif., April 20.—Constantine Romanoff, claimant to the heavyweight wrestling championship of the Pacific coast, defeated Fred Mortinson of Chicago, known as "The Terrible Dane," here Wednesday night in seven ten-minute rounds of a match scheduled for ten rounds unless one of the contestants obtained two falls earlier.

Second Series of County League Baseball Sunday

The county league baseball games this week should furnish considerable interest, as from last Sunday's results there will be something to give some foundation for the dopesters. The Red Sox, who won quite a decisive victory over Fairview last Sunday will battle with Snake Creek, who won by default. Fairview will play at Lawn, and Berea, victors over Ash Grove will tangle with Pleasant Hill on the Pleasant Hill diamond. Marple, winners by default, will tangle with Ash Grove, at Ash Grove. The Red Sox-Fairview argument will be at the Red Sox diamond. These games will help to settle arguments as to the relative ability of the teams, and will give somewhat of a line on their chances for the cup.

Harry Foley is Knocked Out by Tommy Gibbons

Harry Foley, the New Orleans baker, who has been the latest heavy-weight sensation, proved to be a false alarm, when he was rocked to sleep in the sixth round of a scheduled fifteen round fight with Tommy Gibbons. This does not mean that Foley is any dub, as it takes a good man to battle evenly with Gibbons, but this does

show that Foley is not of championship caliber.

Dempsey would knock Gibbons out within five rounds, and Foley proved easy for him. Foley was touted as a likely candidate for a battle with Dempsey but this upset does away with any such scheme. Tarzan Larkin, Luis Firpo, and the other heavy hopes have also floundered so it seems that Champion Jack may wear his crown in peace for a while yet.

Several Features on Imperial Program for Coming Week

Tonight's program at the Imperial is featured by the last showing of Dustin Farnum in "The Primal Law." An additional attraction is a Mack Sennett comedy.

Saturday's bill includes a Mutt and Jeff cartoon; a comedy, "Polly in the Pantry;" and "Pardon My French," making an all-comedy program, with Vivian Martin featuring the feature fillum. The Hawkers had been ordinary Kansas folks until a cyclone struck their house and destroyed all their home but a room papered with oil shares supposed to be worthless. But the shares were found to be worth more money than was good for the equilibrium of Mrs. Hawker, for that lady developed social ambitions of a spectacular sort. Polly was hired to watch over the etiquette, as Mrs. Hawker terms it, of the newly rich family. This she does with great comedy results, until Zeke, the heir apparent to the Hawker wealth, makes love to her against her wishes. For Polly had met the man of her heart, and the complications which ensue, make a fast-moving, always laughable and sometime thrilling comedy with many farcical moments.

Sunday and Monday comes a Charles Ray picture, "R. S. V. P." The star, who has won countless laughs as pugilist, barnstormer, country rube, amateur detective and gridiron warrior, repeats his former successes as a struggling artist who prefers his art to money. It's all good

comedy that the star provides from the initial refusal of a thousand dollars from a rich relative to the moment when he divides a dress suit with his chum so that both may put in an appearance at a social function.

Monday is vaudeville night at the Imperial. The bill includes Ardell and Tracy in "Syncopation and Patches;" Williams and Culver in comedy songs and talk; George Murphy, a "manipulating raconteur," who juggles while he tells stories; and the Foch Four, Belgium's foremost original dancers. In addition there is the Charles Ray feature.

RE-HARDWARE

A New Word in the English Language

"RE-HARDWARE"—1. To install new hardware on doors, windows, cupboards and drawers. 2. To protect life and valuables with sure and safe locks. 3. To enhance decorations and to increase the value of buildings. Necessity has added this new word to America's vocabulary.

When the winders start ter rattle,	Or, per'aps, though locks are workin'
At the faintest sort o' breeze,	With their kustomary vim,
An' the old front door lock hesitates	What they need, ter make 'em classy,
Respondin' ter the keys,	Is a brand-new set o' trim,
When the slidin' door gits bumpy,	Shiny knobs an' bright eskutchuns
An' all ketches, ketch fer fair,	That'll make yer cellers stare,
The only way ter fix 'em is to—	An' the only way ter do it is to—
"Re-Hard-Ware!"	"Re-Hard-Ware!"

Hardware cannot last forever. Like the working parts of any other kind of machinery, it will wear out in time. The answer is—"Re-Hardware"—and the
