DON'T STOP

If you stop to find out what your wages will be And how they will clothe and feed you. Willie, my son, don't go on the sea. For the sea will never need you. If you ask for the reason of every command And argue with people about you, Willie, my son, don't you go on the land. For the land will do better without you. If you stop to consider the work you have done And to boast what your labor is worth, dear, Angels may come for you, Willie, my son! But you'll never be wanted on earth, dear!
