Civil Service Exam July 8 to Choose Antioch Postmaster

At the request of the postmaster general, the United States civil service commission announces an open competitive examination to be held on July 8, 1922, to fill the position of postmaster at Antioch. It is expected that appointments will be made as a result of this examination unless it is found in the interest of the service to fill any vacancy by transfer or promotion. This is not an examination under the civil service act and rules, but is held under an executive order of May 10, 1921, providing for such procedure.

The Antioch postmastership became vacant May 4, 1922, and the annual salary paid by the office is \$1,700. There should be a number of applicants.

Applicants must submit to the examiner on the day of the examination their photographs, taken within two years, securely fastened in the space provided on the admission card sent them after their applications are filed. Typewritten or proof will not be accepted.

Application form 2241, and form 2228, containing full information as to the requirements to be met and the character of the examination to be given, may be obtained from the Antioch postoffice, or from the United States Civil Service Commission, Washington, D. C. Applications must be properly executed, showing the examination point at which the applicant desires to be examined, and must be filed with the commission at Washington in time to arrange for the examination at the examination point chosen.

Note.—Attention is directed to the fact that so-called civil service correspondence schools have no official status and no connection with the government. Authentic information in regard to examinations may be obtained only from the United States civil service commission, or an authorized representative of the commission, and without cost. Instructions of the postoffice department to postmasters and postal employees relative to such schools appear in the Postal bulletin of September 12, 1921, and in October, 1921, supplement to the Postal guide.

7:30 o'clock will consider the subject, "The Teaching of Paul on Christianity Unity." This is a live subject and many can be present to take part in the service.

Some of our young people will attend the C. E. convention at Chadron and Scottsbluff this week.

S. J. EPLER, Minister.

BAPTIST CHURCH.

Sunday was a great day of great crowds. The Sunday school was over fifty larger than it has ever been before at any regular or special services. The woman's class beat the men's class by fifty points, the men having twenty-two present on time and, five late, the women twenty-four on time. However, the men are determined to reach at least fifty men next Sunday. The young ladies' class defeated the young men's by over 200 points. Try it again boys.

This week the painters began to redecorate the inside of the building. There were two additions to the church Sunday. The president of the B. Y. P. U., Oliver McPherson, and Mrs. Hall, one by experience, the other by baptism. We are especially glad to see young men standing up for Christ and his church.

Next Sunday is the last Sunday of the Associational year. Let us make it a record breaker. On account of the Associational Sunday when the pastor and many members will be gone the contest will be prolonged one week.

Prayer meeting tomorrow in the social rooms of the church. The woman's society meet in the afternoon.

CHURCH OF CHRIST.

Last Sunday closed the contest with the Scottsbluff school. We had about double the number of points. With the average attendance for the last six weeks being nearly three hundred, we believe that this makes our school the largest in western Nebraska. There may be one or two schools in North Platte that come pretty close to this number. If there are any we would be glad to hear from you and to rejoice with you.

The church has arranged for its minister to be away the first two Sundays in July. B. L. Kline will occupy the pulpit at the morning services during that time. The minister and family are intending to motor to Bethany and attend the state convention, June 26-30, and then visit a number of relatives in eastern Nebraska. Among the number are Mr. Epler's parents who have resided in that part of Nebraska for about sixty-five years.
