Over 200 persons are estimated to have lost their lives in the great blizzard of last week in Minnesota and Dakota. Extending from the Rocky mountains in Montana east to Wisconsin and beyond, it was one of the severest storms recorded since the settlement of the country.

The republican party is the American party. It is the party that has done most to preserve the best traditions and to establish the best policies of "the Fathers." It is the party whose American principles would receive the benediction and approval of James Madison, if he could be permitted to return to us and communicate his views.—*New York Mail and Express.*

### Pretty Women.

All women look attractive when their color and complexion is clear. If your skin is sallow eyes dull, you are bilious, secure a box of Williams' Australian Elix. Pills, take as directed, and the feeling of languor will leave you, your eyes brighten, and you are another woman. C. W. Price, Agent.

"I have been in the saloon business," says Bill Blanford of Falls City, "for fifteen years. There is only one way for a man to run a saloon safely under the Stocum law. The way to do is to pay \$1,000 down for your license, fit up an elegant place, lay in a good stock, and then lock the door, go over to the other side of the street with a Winchester and pop it right through the first man that tries to get inside."—*State Democrat.*

### Their Business Booming.

Probably no one thing has caused such a general revival of trade at A. F. Streitz's Drug Store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

The state convention for the selection of delegates to the republican national convention will be held, probably in May. This will necessitate a later convention for the selection of candidates for state officers. The party won't care to indulge in a six month's canvass for state officers. Its organization will have been so thoroughly perfected that little more than a nominating convention, held shortly before November, will be required in connection with the state canvass.

**The reason why Acker's Blood Elixir is warranted, is because it is the best Blood Preparation known. It will positively cure all Blood Diseases, purifies the whole system, and thoroughly builds up the constitution. Remember, we guarantee it. For Sale by A. F. Streitz.**

Senator Ingalls has the profound sympathy of all of his associates on account of the destruction of his home and his valuable library. His library was one of the largest west of the Mississippi river, and was especially rich in political literature of pictures wearing apparel, and priceless mementoes of the living and the dead. The structure was inadequately insured, and the Senator's loss is estimated at \$20,000 above the insurance; which sum represents the bulk of his accumulations.

### Brace Up.

You are feeling depressed, your appetite is poor, you are bothered with headache, you are fidgety, nervous, and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines or bitters, which have for their basis very cheap, bad whiskey, and which stimulate you for an hour, and then leave you in worse condition than before. What you want is an alternative that will purify your blood, start healthy action of Liver and Kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters and only to be had at A. F. Streitz's Drug Store.

Hon. A. J. Poppleton has resigned his position as attorney for the U. P. railroad and his successor will soon be appointed by Judge Dillon, the head of the law department of the corporation. Mr. Poppleton was appointed to his position the day after the breaking of ground for the Union Pacific at Omaha in 1861, on which occasion he made the principal address. He gives as the reason for his resignation his desire to retire from active practice of his profession and devote some years to travel and leisure. He will keep an office but take no cases except those involving large interests. It is believed that John M. Thurston, his present colleague, will be promoted to the vacancy.—*State Journal.*

If you would enjoy your dinner and are prevented by Dyspepsia, use Acker's Dyspepsia Tablets. They are a positive cure for Dyspepsia, Indigestion, Flatulency and Constipation. We guarantee them. 25 and 50 cents. Sold by A. F. Streitz.

Three car loads of Iowa coal were received at this place Monday night, which temporarily relieved the demand for that much needed article of fuel. For a time Monday afternoon it appeared there would be a raid on the U. P. coal house, but the agents informed the crowd that a train then in sight had coal for Gothenburg and thus deferred the intended raid. Gothenburg is in no worse fix than neighboring towns on the coal question, even the railroad reports a scarcity of coal in its warehouses. It is to be hoped, however, that the future supply will be more plentiful.—*Gothenburg Independent.*

**Babies** that are fretful, peevish, cross, or troubled with Windy Colic, Teething Pains, or Stomach Disorders, can be relieved at once by using Acker's Baby Soother. It contains no Opium or Morphine, hence is safe. Price 25 cents. Sold by A. F. Streitz.

There is a good deal of fun in Senator John Sherman. At Senator Palmer's billiard parties Sherman is one of the jolliest of men. To see the partially favorite son of Ohio skipping about with a billiard cue in his hand and shouting, "I'm a son of a—son of a—son of a gambler," would astonish a great many people. But at billiards Sherman thaws out.—*Chicago Journal.*

When Morgan resided Ohio, 1863, John Shenafeld, a farmer, buried on his place, near Youngs, \$3,000 in gold and silver coin. After the war the family never had need for the money, and so the treasure was left undisturbed. Mrs. Shenafeld died first, and a week ago Farmer Shenafeld himself died without revealing the secret as to the place where the treasure was buried. But the son went out on Saturday, and in a little while found the treasure in the foundation of an old building.

### Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself. The breathing apparatus must be kept healthy and clear of all obstructions and offensive matter otherwise there is trouble ahead.

All the diseases of these parts, head nose throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Beecher's German Syrup. If you don't know this already thousands and thousands of people can tell you. They have been cured by it and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

Last Thursday morning the weather was balmy and spring-like and many were the predictions that a January thaw was certain. Between 11 and 12 o'clock, however, there was a very sudden change in the weather and a blizzard raged the remainder of the day, ending with extreme cold, and on Sunday morning the thermometer ranged in thirties below zero. The storm was not so severe here as it was farther north and east, owing to the light snow-fall in this vicinity. Up to this writing, Tuesday, no loss of stock is reported in territory tributary to Gothenburg. Indeed, notwithstanding the severe cold, this section of Nebraska has been fortunate in being outside of the storm center.—*Gothenburg Independent.*

### The Queen Seriously Ill.

This does not refer to the Queen of England, but to the queen of a household at Lincoln, Neb., where she rules by common consent. "In March last, when six months old, our baby was taken down with what the physicians called 'bronchitis' (an ordinary cold) and was very sick for two weeks; she seemed to be filled deep in the chest with phlegm which we were unable to loosen; she could not lie down at all, but had to be held upright; she could not cough, severely; the physician did not give her any relief, although the prescriptions were changed every day and sometimes twice a day; this treatment was continued about ten days and we finally determined to try a bottle of Chamberlain's Cough Remedy. We obtained a bottle and after giving a few doses she was relieved, breathing easier and throwing off the phlegm and getting to sleep, getting well in a few days, and we believe we owe her life to the use of Chamberlain's Cough Remedy. Our oldest girl is subject to croup and has had several severe attacks but the Cough Remedy has brought her out all right with but two good doses and we would not go over night without a bottle in the house. Tablets will cure Dyspepsia, Indigestion and Constipation; sold on a positive guarantee at 25 and 50 cents, by A. F. Streitz.

**Many** Of the good things of this life are sorrowfully let alone on account of Dyspepsia. Acker's Dyspepsia Tablets will cure Dyspepsia, Indigestion and Constipation; sold on a positive guarantee at 25 and 50 cents, by A. F. Streitz.
