One trouble with most hotel and restaurant "corn starch puddings" is that they put in too much starch and not enough corn, so to speak, which gives consumers some subsequent trouble to shut their eyes.

Ballard's Horehound Syrup.
A single bottle of Ballard's Horehound Syrup kept about your house for immediate use will prevent serious sickness, a large doctor bill, and prevent death, by the use of three or four doses. For curing consumption it has been simply wonderful, and for ordinary coughs, colds, sore throat, whooping cough, sore chest, hemorrhages its effects are surprising and wonderful. Every bottle guaranteed. C. W. Price, agent.

\$25.00 Reward.
The above reward will be paid for any case of rheumatism not benefited by Ballard's Snow Liniment. There is no pain it will not subside, no wound it will not heal. It is the most penetrating liniment known for all pain, for man or beast it stands without parallel. Ladies who have backache should never be without it. Price 50 cents. C. W. Price, Agent.

Cupid has been effectually boycotted in Waupaca, Wis. The young ladies foreswore accepting as escorts any young men who drink, and the young men retaliated by agreeing not to seek the society of any young lady who cannot make good bread and coffee, broil a steak, and abstain from chewing gum.

Pretty Women.
All women look attractive when their color and complexion is clear. If your skin is sallow eyes dull, you are bilious, secure a box of Williams' Australian Flea Pills, take as directed, and the feeling of languor will leave you, your eyes brighten, and you are another woman. C. W. Price, Agent.

The frame house in which Gen. Grant was born has been moved to Cincinnati and will be put upon exhibition. Such a proceeding is certainly not commendable in this country. There is something repulsive to the true American in the idea that the objects in which he takes an almost sacred interest should be used for the purpose of sordid gain.

How to Cure Salt Rheum and Tetter.
Many persons believe that salt rheum and tetter can not be cured and quietly submit to be tortured by it. If they would invest twenty-five cents in a box of Chamberlain's Eye and Skin Ointment and apply it as directed they would soon become convinced of their error. It almost instantly relieves the itching and burning sensation and has cured many cases after they had resisted all other treatment from ten to twenty years. Try it. For sale by F. H. Longley.

The farmers are objects of the especial anxiety of the free traders, if one may judge by their utterance upon the tariff. But their professions have a hollow sound. If they are sincere why was it, when a proposition to place agricultural implements on the free list was made to the democratic caucus the other night, it was summarily kicked out of the caucus? Agricultural implements form part of the farmers' "necessaries of life," and if the democrats are honest in their pretended wish to lessen the burdens of the farmers, why did they not apply their theories to these implements? The great trouble with democratic tariff reformers is insincerity. Sincerity and consistency are two very precious jewels, but they are very rare among democrats.—Journal.

FOR DYSEPEPSIA and liver complaint you have a printed guarantee on every bottle of Shiloh's Vitalizer. It never fails to cure. For sale by A. F. Streit.

NONPAREIL.

The Commercial Travelers' Protective Association, of the United States, has a membership of over sixteen thousand and is probably the strongest association of the kind in the world. Mr. John F. Stone, their Nat'l Sec'y and Treas., 79 Dearborn St., Chicago, in a letter states that he has been severely troubled at times, for the past twenty years, with cramp and bilious colic which would compel him to take to his bed from three to six days. While in St. Louis at their last annual meeting he procured a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and has since used it with the best results. It is the only remedy he ever found that effected a rapid and complete cure. No one can safely travel without it. Sold by F. H. Longley.

Most of the business men of Paxton showed their respects for the dead soldiers by decorating their places of business with the American flag draped with mourning.

Mr. Wm. Granger arrived here last Saturday morning from Missouri. He comes to take charge of the mechanical department of THE PILOT. Mr. Granger is a young man but having served several years in this department of the business he is fully qualified and we feel that the typographical appearance of THE PILOT will not retrograde any under his skillful management; although there is surely not much room for improvement in the appearance of it as it has been.

The Verdict Unanimous.
W. D. Salt, druggist, Big Springs, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of rheumatism of ten years standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 30 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. Only a half dollar a bottle at A. F. A Woman's Discovery.
"Another wonderful discovery has been made and that too by a lady in this country. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured.
