dia Courier, a life-long democrat, refuses to support Cleveland, the "soldier hater," as he terms him, and gives a number of reasons for bolting the ticket. In concluding his article he says: "As between Grover Cleveland, the pension vetoer, and Levisor the union general laws are to be supported by the same of the says and the party had men go over and pull out every head of rye, so we feel safe in saying it is absolutely pure stock we have to offer.

All winter wheat requires firm Benjamin Harrison, the union gen-eral, democratic soldiers have but gumbo lands are rather too heavy one choice. They will vote for their to obtain the hest results. We do friend, comrade, and so shall we. To not think it would be advisable to kins the hand that smites you may sow on sandy land, but light loam God-like, but we belong to the plain every day rank and file of democrats, and prefer being stigmatized as a might be put in proper condition by plowing very deep, harrowing and rolling if possible, if not by bolter than to stultify ourself by sup-porting a man who has proven him-ning it over the ground to pack the which he aspires. We may be classed If convenient it should be plowed m a bolter, inasmuch as we can't nor two months before time to seed, and Grover Cleveland. He is a politi-summer fallow. The best plan is cian of the Boyd stripe, as exemplito drag the same day it is plowed, fied in Nebraska politics, and is a that puts it in a fine condition. And man like our present governor-all after the whole field is plowed tofor self and d-n the party."

THE following pertinent special summer fallow is obtained, which telegram to the Chicago Inter Ocean rots weeds and trask and holds moisis from Lincoln, Neb.: "An incident ture. When it is convenient to illustrative of the falsity of the ar- bandle ground in this way, we sagguments of free traders occurred to-day on the streets. Several parties indelged in a discussion, and the apostle of free trade produced some tables to show the comparative when it comes time to seed. If He argued that while the wages in this manner, we should prefer less on the other side of the shallow plowing. But in each event money was much greater, and the smooth surface

That there is a determined effort upon the part of independents to misrepresent the position of John M. Thurston toward the republican party: This does remarkably well in sections of the state which are liable to high winds, but should not be state ticket is evidenced by the following St. Louis dispatch to the Associated Press, that have octopus which the calamity howler is fond of asserting is subsidized in the interest of the republican party: "Chairman Taubeneck, of the people's party extending committee received a letter from Hon-Baul Vandervort, of Ne-braska, ex-grand commander of the fine Hone and the interest of the proble party and is now making a tour of the state in behalf of Gen. Van Wyck, the people is party and is now making a tour of the state in behalf of Gen. Van Wyck, the people is and the interest of the people's party and is now making a tour of the state in behalf of Gen. Van Wyck, the people is and the interest of the people's party and is the interest of the people is party and is the interest of the people is party and is the people in the interest of the people is party and is the people in the interest of the people is party and is the people in the

sociates, prior to the convention is spect than spring wheat. that Harrison has the "bulge" on true, but he says he did not believe them himself, as they were uttered in the heat of passion.

Another Straw Man. The latest scheme of the slick politicians who make their living by trickery is to get up a betting to wager \$100 that the independents will not carry Nebraska, or North Platte. some other which they think will less Richards well pays the freight. campaign purposes. The fact is as broken up batching. Mr. Baum is
