1894 and 1896.

No state in the union, unless it be Nevada, has gone populist this year, and one more election will sweep them out of existence as a national party. They heard the death knell in Kanses, Colorado and Nebraska last week.

Conceding it to be true, as Comptroller Eckels says, that the industries most favored by the tariff are reviving most rapidly from the recent depression, then it would surely not be a good idea to take away the prop which enables them to make such a showing.

THE defeated independent candi-

copies of his speech printed, Sena- politics.- Bez. tor Allen very properly so revised it as to eliminate many of the objectionable features and make that REPUBLICANS of Lincoln are pre-tionable features and make that Paring for a great republican ratifiportion of it that pictured a con- cation and jubilee to be held in that and Iows all the same, and if they dition of distraction in Nebraska, city next Saturday evening. Prom- swallow it they are goners, sure.--

partizan; therefore their report of atmosphere. an improvement in business in the past five or six days is significant. The sweeping republican victories last week, which is a pressage of still more brilliant triumphs for the same party in 1894 and 1896, has started a trade revival which is beginning to be felt all over the
