SUBSCRIPTION RATES.

WEDNESDAY, MARCH 7, 1894.

JUBAL A. EARLY, the prominent confederate general, died at his home in Lynchburg, Va., Friday night at the age of seventy-eight years.

THE interstate irrigation conven-tion which is called to meet at Omsha on the 21st and 22d of March promises to be largely attended and good results may are anticipated.

aroused in Germany over the work | ny for a forty cent pass. of the silver monetary commission. an easy task.

THE Bland bill, providing for the coinage of the silver seignorage and the silver bullion in the treasury passed the house Thursday by a vote of 168 to 129. There is doubt as to the measure passing the senate, but if it does the administration will get hold of \$50,000,000, which is sadly needed at this particular time.

JUSTICE has a big job on hand in taking care of the ballot box stuffers in New York. After all the convictions, there are still about Berry. fifty of the gentry yet to run through the mill. If they all receive their deserts, it will be the past week. biggest and most wholesome cleaning up New York has managed to do for many years. do for many years.

of Georgetown, Colo., is being cir-culated in the Centennial state and Wild geese have been quite plenis causing quite a sensation, the purport of which is to the effect that all silver producing states sected from the United States and Wild geese have been quite plentiful in this section lately.

I. M. Baley and family are settled on the W. E. Parks farm.

We understand that a change has "similar petititions will be in cir- company. culation throughout the silver bearing states in a very short time, and "downded" three fine wild geese take the initiative."

THE chairman of the pop county central committee has issued a call for the meeting of the faithful to assemble in this city. We would suggest that Wallace, which furnished the majority for that party, have a full representation at the meeting and try to secure their "swag" in the future. With the removal of Dr. Calvert from our county, as noted in our Somerset correspondence this week, there is an opportunity for some perspiring patriot to be appointed to a fat of-

AN EX-FARMER comes forward with a scheme for increasing the price of wheat that is both audacious and interesting, says the State Journal. He wants the farmers generally to stop raising wheat and go on the boards of trade with dealings another year. that will accentuate the growing shortage. He wants them to plant shipped a carload of hogs from no wheat this spring, but to buy for Hershey to Denver one day last future delivery the amount they us- | week. ually produce. If every farmer in the country joins in this movement potatoes down the road from this there will be a tremendous shifting station about three weeks ago that from the supply to the demand side were so badly frozen when they of the market, and there should be reached their destination that they an upward tendency early in the did not sell for enough to pay the summer. Relief Day-March 24th.

How You Can Assist Them.

As a great number of our people the past six months have felt very much the hard times that exist, and believing that there are a great many in our city and in the surrounding country that are justly entitled to aid from all who are able to help, we have decided upon a plan by which you all can help and not be any the loser. We propose to set apart for relief day March 24th. On that day we have decided to give A relative of the Latimers has arten per cent of the cash sales to the Ladies' Aid Bureau for distribution among the poor and needy that are justly entitled to receive aid. Please Mr. Votaw, of Maywood, bought remember that prices in all departments will remain the same, that our a car of hogs of W. N. Parcel, and stock is large and new, every department is full, and all goods are guaranteed to give satisfaction. Bring your neighbors with you on that John Armstrong, of Ogallala, was visiting with relatives here the latter part of the week.
