A Handsome Three-Quarter Life-Size CRAYON PORTRAIT FREE

We propose to give to each of our customers a handsome portrait of anybody they may select. To this end we have made a contract with a leading portrait house to furnish us with their celebrated pictures. To those who have seen these portraits no word is necessary; and those who have not we invite to inspect the samples at our store. We will not confine this offer to one picture in each family, but give a portrait each time you comply with the requirements given below. We further assure you that if the portrait is not satisfactory, you need not accept it until it is.

The portraits are Crayon and India Ink and of a very fine grade. The same picture costs, when ordered of an agent or picture house, \$10.00 to \$18.00.

THE WAY TO OBTAIN THE PICTURE.

We furnish you with a card on which are printed 5, 10, 15, 25, 30 and 50 cents, amounting in all to \$10.00, and when you make a purchase the amount of the same is punched out of the card. When you have bought goods to the amount of ten dollars you furnish us with a photograph or tin type from which to make the picture. The cost of the frame, glass, etc., will be but \$2.75. These portraits are made by the well-known Standard Portrait Co. of Chicago.
