The Semi-Weekly Tribune. At a meeting of S. A. Douglas No. 69, G. A. R., on April 13th, 1895, the following resolutions were adopted.

Resolved, That this Post drapes her charter for thirty days; that a copy of these resolutions be sent to the family of our late comrade, and the same be spread on our minutes, and also a copy to our city papers for publication.

The supreme court has set the case of the state against ex-Treasurer Hill, for the recovery of \$236,000 lost in the Capital National bank, for trial on the 29th inst.

The bicycle manufacturers intend to double the output of their factories for last year by the manufacture this year and they expect the people to expend \$40,000,000 for wheels.

It is reported from Kansas that enough evidence has been gathered to put some of the members of the populist board of charities behind prison bars.

It has been so dry up in Minnesota all winter that the steamboats on Lake Minnetonka are high and dry at their moorings and there will be no way to get them afloat unless it rains about as vigorously as it did when the ark was launched.

It is the opinion of Senator Peffer that the treasury will lose about \$100,000,000 of revenue through the income tax decision of the supreme court.

Ex-Secretary John W. Foster, who is one of the negotiators for peace between China and Japan, says that China was not prepared for war, and will sacrifice much for peace.

Ed. TRIBUNE:—I notice a number of our citizens are planting trees on the outer line of their sidewalks, and as there has not been any great success attained in the past in thus planting trees, would it not be advisable for those who are intending, or have, planted trees to adopt the Denver plan.

MACEO IS CAPTURED. Insurgent General Taken Prisoner by the Spanish.

GENERAL MACCO.

official reports lasted two hours. At the end of that time the rebels retreated, were pursued by the Spanish troops and Maceo captured.

Maceo was a leader of the rebel forces with Gomez during the last revolution. Through but a youth he achieved considerable distinction. Maceo's fate is known in advance. It would be far better for him if he had been killed, as was Crambet, than to be brought here to Havana and put in old Morra castle's gloomy prison.
