The committee on resolutions reported as follows:

The republicans of Lincoln county in convention assembled reaffirm their allegiance to the principles of the republican party as set out in the national platform of 1892.

We denounce the democratic party for its incompetency as displayed in its conduct of national affairs; for increasing the national debt in times of peace; for the enactment of the un-American Wilson tariff bill, with its vicious attacks on the American laborer and farmer; for its repeal of the reciprocity act, thus closing to the American farmer and manufacturer the great markets of the world that had been opened by that act; for its assault on the old soldier by the denial of his rights under the pension laws of the country.

We demand such legislation state and national as will protect and build up the irrigation interests of our state, and will give free access to the waters of our state to all, upon payment of just compensation to the owners of lands necessarily crossed, and we denounce the doctrine that the ownership of the lands bordering the streams necessary for irrigation carry therewith a monopoly of the waters and the right to deny access thereto, and we denounce all legislation tending to maintain a monopoly in this bounty of nature—the running water; and it is the sense of this convention that the Lincoln county delegates to the state convention make it their special duty to see that this matter is placed before the republicans of the state in its proper light.

We arrange the populist commissioners of Lincoln county for reversing the time-honored rule of letting all public contracts to the lowest and best bidder, in awarding the contracts for county publishing to the highest bidder, through partisan, if not corrupt, motives thus robbing the tax-payers out of thousands of dollars.

We denounce the populist officials in control of the affairs of Lincoln county for their extravagant and partisan management of the affairs of the county whereby an enormous floating debt has been created and our taxes increased.

We pledge the nominees of this convention to an economical and non-partisan conduct of the affairs of the county in the interest of all the tax-payers.

The following resolution was also presented and unanimously adopted:

WHEREAS Our fellow citizen the Hon. H. M. Grimes is a candidate for the nomination to the office of district judge before the republican convention of the 13th judicial district.

AND WHEREAS we recognize that his integrity, learning and legal ability qualify him to fill the office with credit and to the satisfaction of the people of the district.

Therefore be it resolved, that we heartily endorse his candidacy and accord him the privilege of naming the delegates to be appointed by this convention to attend said judicial convention.

Mr. Grimes then selected the following delegates: Messrs. Baldwin, Hoagland, Patterson, Ray, French, Bare, Hill, Langdon, Shaw and Frame.
