- Republican Ticket. For Judge of Supreme Court—T. L. NORVAL. For Regents State University—C. H. MORRILL, H. L. GOULD.

LET every republican in the county get out and vote this year, and give the pops evidence that as a party they are not "in it."

THE average republican plurality on the state ticket in Lincoln county last year was 102. This year the plurality will be considerably larger.

THE nomination of Hon. H. M. Grimes for district judge is an excellent selection. He is one of the prominent lawyers of the state, and has a very high legal standing.

AT the city election in Indianapolis last week the populist vote was 244. For several elections prior the pops cast from 1,500 to 2,000 votes.

THE people of the county are so perfectly well satisfied with Miss Hofsford as county superintendent that she will have a larger majority than this fall than ever before.

THE populist nominee for supreme judge will not, contrary to the claims of the members of that party, receive the complimentary votes given Holcomb in this county last fall.

AGENT BECK has just been sustained by Judge Shiras in his position concerning settlers on Indian lands in Thurston county and the settlers have been told once more to "get."

THE campaign of sympathy which a certain populist candidate is making will hardly win, especially when the family has received more from the county of Lincoln than any one who is not a regular salaried officer.

JOHN RITNER deserves the support of every republican in the Second commissioner district because he is a good business man and superior in many respects to either of his opponents.

W. C. ELDER is making a campaign that gives evidence of a return of that old-time vigor displayed by the famous "Lincoln County Bull Team," and of which he was a member.

THE populists who are circulating through the county are telling a number of falsehoods concerning the republican party and nominees.

THAT little card so vigorously distributed by Mr. Buchanan and his friends, and which was thought would carry Butler into office with a whoop, is not having the desired effect.

ATTORNEY GENERAL HARMON says that while there is no law prohibiting American citizens from expressing sympathy with the Cuban revolutionists, such action is "discourteous in the highest degree to a friendly power."

JUDGE NORVALL, the republican nominee for justice of the supreme court, is a man for whom every republican can vote without making any apologies.

At a recent irrigation meeting held at Garden City, Kas., the fact was brought out that of 344 practical irrigators who had been asked about their industry all but six testified to the profitability of irrigation by pumping.

At a meeting of a convention of the Illinois federation of labor a proposed resolution, that the convention is in entire sympathy with the action of E. V. Debbs in his work on the strike of the A. R. U. against Pullman and the railroad managers association, was refused.

SUGAR BOUNTY CASES. Ex-Senator Manderson Will Be Given a Hearing by Secretary Carlisle.

WASHINGTON, Oct. 17.—Ex-Senator Manderson of Nebraska will be given a hearing by Secretary Carlisle on the question raised by him in the sugar bounty cases as to the jurisdiction of the comptroller of the treasury.

ALTHOUGH Secretary Carlisle will grant the hearing the general impression at the treasury department is that it will be unavailing, as the secretary is reported to have told representatives of the sugar people some time ago that he would stand by the decision of the comptroller.

STATUS OF THE WALLER CASE. Record of His Trial Still in the Hands of Ambassador Eustis.

WASHINGTON, Oct. 17.—Consul Kennedy, of the Waller case, is of the opinion that the turn which the course of military affairs has taken in Madagascar in favor of the French will not unfavorably affect the financial interests of the ex-consul in that island.

DIRECTORS LEARNED A LESSON. Li Hung Chang's First Railroad Trip and How He Showed His Satisfaction.

WASHINGTON, Oct. 17.—A most interesting report upon Chinese railroads is furnished to the state department by Consul Read at Tien Tsin. He tells of the difficulties that were encountered by the young English engineer who ran the first locomotive in overcoming the suspicious resistance of the natives and the government to the "rocket dragon," as his homemade locomotive was called.

MASON CITY, Ia., Oct. 17.—The Iowa western Iowa Educational society opened a three days' session at Charles City.

BASE BALL PLAYER DEAD. TORONTO, Oct. 17.—Kid Somers, the base ball player, died here. He entered his professional career with Milwaukee.

COMMITTEE IS NONCOMMITTAL. Outcome of the Conference of Officials Not Positively Known.

HOR SPRING, Oct. 17.—The people here are straining to the highest tension about the Corbett-Fitzsimmons affair. Members of the committee seem to know no more than anyone else.

JUDGE DUFFIE offers to submit the matter to three other judges of the Arkansas judicial districts, and if they say there is no law against the contest his appeal to the governor for aid will be withdrawn and he will leave it in the hands of the sheriff.
