**The Alumni Banquet.**

The banquet tendered the class of '96 by the Alumni association at the Pacific Hotel last evening was an event that will not soon be forgotten by attendants. The members of the association and the class assembled in the hotel parlors at nine o'clock, where Geo. McMichael in behalf of the association delivered a brief address of welcome, which was responded to by Miss Nellie Hartman for the class. The members of the school board and the faculty then led the way to the dining room, where an elegant three course spread had been prepared by Manager Jacobson.

Prof. Barber occupied the toast-master's seat and began the programme with an appropriate address. He was followed by Professor Orr, who responded to the toast of "The high school of to-day." The following toasts were then proposed and responded to: "The class of '96," H. S. Ridgley; "The loving pupil always remains after school," Mrs. M. Oberst; "Innocence abroad," Chas. Hendy; "Our school board," Mrs. F. H. Longley; "The sweet girl graduate of long ago," Miss Anna Kraup; "Studies not in the book," Rev. Foullk.

The responses to the toasts are said to have been excellent, and the banquet as a whole the most smoothly conducted event of its kind ever given in the city. Great credit is due the committee in charge. Plates were laid for seventy-two and sixty-eight were present.

**For County Attorney.**

As will be seen by announcements elsewhere in these columns, T. C. Patterson and G. C. McAllister will be candidates for the office of county attorney, subject to the decision of the republican county convention. Both are well known to the voters of the county, especially Mr. Patterson, who has resided in this city for over twenty-five years. He has ever been an active republican worker, devoting his time and money liberally to the success of county campaigns. His enthusiastic work for the party in the past has not been rewarded by election to office; he has not been an office-seeker, being content to do all in his power solely for the cause of republicanism. His candidacy for the nomination of county attorney at this time—after so many years of service in the party—is well warranted, and his nomination would be a fitting recognition of that service. His ability as a lawyer and his fitness for the position cannot be questioned. In nominating him the convention will make no mistake.

Mr. McAllister is a young and rising attorney who located in this city somewhat over a year ago, and last fall was chosen chairman of the republican county central committee, and made an aggressive though not altogether successful fight for the party candidates. He is a popular man, well read in law, and will develop strength in the convention.

—R. H. Langford went down to Cotwood precinct Wednesday evening and delivered an address on sound money. The meeting was held in a school house, which was well filled with interested spectators.

—The Columbia dramatic club has concluded not to visit Grand Island on account of the expense attached to the trip.
