A STATEMENT

In regard to the statement made in the Hershev Review concerning cards and dominoes being played in Ottenstein Block. my school. I will say that dominoes were played in my school for about two weeks and only two weeks. But no cards were ever played in the building or on the grounds during my term.

When I first came here I heard I was going to be watched, but had no idea I was going to be advertised. I have tried to do my duty. and if I am doing any thing the parents think wrong. I would consider them ladies and gentlemen if they would speak to me about it. Then if I don't beed I am willing to be advertised.

Had I not known dominoes were played here in previous years I would not have permitted the playing of this game under any consideration. Dominoes and authors light and the sun shining. As it is years. Dominoes not later than the paper, however.

Dominoes was the only game played during my term and as they terms. I do not consider that I have committed any great offense.

But I want it distinctly understood by all that there has never
